

MINISTRY OF THE BRIDE #2
January 02, 1972 Pm Durham, Connecticut
Robert Lee Lambert

Amen. Love lifted me! Amen! Let's sing that again now, and sing John three sixteen.

John 3:16-Reference quote:

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

Amen, do you love Him with all your heart? Praise God you may be seated. Amen! When nothing else could help, love lifted me. You may be seated, and may the Lord Jesus bless you.

John three sixteen; for God so loved the world that He gave His only son He had. He was the only begotten son. The only begotten son of the father, and He give Him up for each one of us. And the Lord hath laid on him the iniquity of us all, every evil thing that you ever did and all the sins that you committed, while you we're alive upon earth, God the father laid that all upon the Lord Jesus. And that's why we should love Him with all of our heart, all of our soul, and with all of our might.

Because didn't have no sin, there was no guile found in His mouth. He was a perfect Lamb of God and He never had one blemish on Him, not one blemish, not one spot did the Lord Jesus have in His whole life. He was perfect from the time that He was born right on up. He was without spot or blemish, because He was always, from the time that He grew up, He was always seeking to please the father. And He was led as a little Lamb. He was a little lamb. And He was lead as a Lamb unto the slaughter, to the slaughter house, for you and I.

Now we who were sinners are sitting here tonight, sinners perfect before the father. Because all of our sins are upon Him, that's why we should love Him with all of our hearts, all of our souls, and all of our might. To think He would carry all of our filthy iniquities to the cross, and he nailed them up there. Nailed all of our iniquities right up to the cross, see. All of our sins... It's like He was our scapegoat. You know a lot of theologians can't figure that out. But Jesus Christ played the part of a scapegoat. He's a lamb but He played the part of a scapegoat. And that is the scapegoat, the believer back under the old testament, brought his goat to the priest and he laid his hands upon this scapegoat, and he turned it loose about the camp. Let it loose, and that was the scapegoat, the Lord Jesus Christ. By faith we put our hands upon the scapegoat, and He carries our sins, so that we can go free. He's our scapegoat, we go free. Ain't that wonderful!

19 In the Scriptures in the Old Testament, at the sin offering, when they got two goats... And these goats... And Jesus represented both of them, or they represented Him, rather. And one goat was killed, and the other was—the sins of the nation was placed upon this goat called the scapegoat. And that goat had to go out into the wilderness to die and to be out there alone

amongst the beasts and so forth. Jesus had to be that—that goat. I want you to notice: He was a lamb; He was sheep. But He was made goat for you and I, that we being goat might become sheep. We, being sinners guilty of death, subject to death, and all sold out under condemnation, yet, Christ become me, that I, though His grace, might become Him, a son of God, seated at the right hand of God in glory.

It's not the holy mountain, but it's the Holy God on the mountain that made the mountain holy. It's not the holy church, but it's the Holy Ghost in the church that makes it holy, see. We don't have no righteousness, it's His righteousness within us. There's no good thing in us, no good. That's why Jesus asked them, why does thou calleth me good, there's none good, but the father alone?

Luke 18:19-Reference quote:

19 And Jesus said unto him, Why callest thou me good? none is good, save one, that is, God.

I'm so thankful that we have Him tonight by a Revelation in our hearts. And that's our sacrifice, is our Revelation. And we're offering unto Him, with praise and thanksgiving.

And we're looking for Him to come tonight. One time when we come together, we are looking for Him to come and vindicate our sacrifice. He's coming to vindicate our faith in Him. So, even more so, as we see that day approaching and we'll gather ourselves together.

This Revelation is going to mean more to us all the time, as we see these things coming to pass in the land. And chaos, as Brother McGahee said, on every side, and it's true. Depression is setting in. May come to pass in a little bit where we're all gonna have to really get down and find out what we got. You know, there's something that always stuck with me is this saying: 'if you really want to find out how much you got, just let somebody move into your home sometime with three or four children.' And then have to share together, eat together, share the bedrooms, and sleep on the floor. And then no money coming in, and your down on your knees praying.

You say, "Have you tried that Brother Bob?" Yes, I've lived that way, yes sir! And no fussing, no bad spirits, and there was a good spirit in our home all the time. You'll have to have the goods. See, you can go along thinking you're a Christian as long as everything is going easy for you. I mean as long as a pay check is coming in and everything is going easy, Oh, praise the Lord. And your brother and everything else. But just let a little trial come your way, and find out how people show and fluff their feathers up, see.

Well, do you wonder why I say things are the way they are? Why don't you see the things the way they ought to be? Why doesn't the congregation got the hospitality and the quality of the spirit they ought to have? Because the man that's leading them, first has got to be first partaker of the fruit, see. See a man, if he's preacher, he does not ask the congregation to do anything he wouldn't do himself. The Lord tries his ministers and lets them go through all those things. And then he's able to tell you about it.

But I'm afraid we're coming to the hour, as Brother Branham said, the devil is gonna back you up into a corner. He's gonna back you up there, and the Lord's gonna let him do it. And the devil's gonna back you up in the corner, and he's gonna make you stand on His promise. And then bring it to pass you, see. And now we see all these things taking place right here before us. It's not because Jesus don't love us, but He wants to prove to us, He loves us. He wants you down there praying, struggling, and striving, not knowing how the thing is gonna turn out, but

you just believe it and you love him, and somehow, it's gonna turn out okay. So, all these things are wonderful when we see everything collapsing around us, it really ought to make us happy.

That we prayed for this hour, for an apostolic church to come on the scene and signs and conditions are getting apostolic. And that is...now watch this!

Now, I didn't mean to get into this. But notice how everything has things a way of repeating. See how the Holy Spirit coming, and how the types and shadows are working out. We had a prophet come on the scene like John (*the Baptist*.)

Here we're coming up right now to a little group of people trying to enter in to an upper room experience. At the same time that took place back there, they were also in a depression. There was a mark of the beast that had sat down. Is that right? They was living under that romanistic spirit. Now you see that romanistic spirit coming right up with these depressions sitting in.

We got to have a depression, so the mark of the beast can come on, see. I can't understand why people say, Oh, yes, I believe it. Oh, glory to God, I believe it. And then wait around four years from now, so you can get your pension plan. See you don't believe it! You really don't believe it, see. Honey, there's not gonna be a pension plan, there ain't gonna be none, see. We're going into a depression. Brother Branham said, the 1929 depression wouldn't make a smell, to this one. And in the 1929 depression, Brother Branham said, maybe somebody would come up with a little bag of beans during the week, and the whole church would gather over there to eat on that bowl of beans. But I tell you what, you may not get too much in your tummy, but the power of God will be wonderful. How many rather have less in your tummy, more of the power of God.

And can you imagine, now that this is the way it's gonna be! See you bring on all these conditions, and it will make you come right down to where you share everything with one another. Make you come right down and suffer with one another, see. And then in doing that you'd be surprised what will come out in your life, when you bring a family into your house and keep them a couple of months. It'll bring all kinds of little rabbits out of the wood pile, so you can pray about it. You didn't know they was in there, but they're in there, see.

A lot of things we don't know. We got certain little things down in our lives. And the Lord has to bring something along to bring that little thing out. How many is glad for that? Then when you know, you kick a rabbit out of the wood pile so you can see which way it's running. See, a lot of times we can't see for the rabbits in the wood pile. But God let something come down and jump on the brush pile and the rabbit runs out. Then you say, "Oh, well, I didn't see that before and there it goes."

So, God's got all these wonderful little things in store for us, see. Brother Branham said in those days somebody get a little bit of beans, and we'd all cook them together. But the Lord Jesus is so wonderful that they cry just to separate from one another, couldn't wait to get back together. Now that's what we're coming to, the genuine love of God. Bear me in mind the hour will soon arrive, where that little congregation is, wherever you're at going to church, you'll be thinned down till you'll be nothing but pure wheat. In that hour all these things will be worked out in your lives. God will bring all these things out and all these things will be worked out. And you'll really have that divine love for one another. You won't have to have ministers pray for you or nothing. Whoever is sick and afflicted among you, when you assemble together like that and you start up your services and that power of God in there and the love of God would be so strong. As the Bible said, the love of God will be shed abroad in the heart by the Holy Ghost. He'll just move that love from your heart into one another. And that so pleases the Holy Spirit that His anointing will be so great that people will sit right there in the audience without a word

being said. Miracles taking place and healings and everything, blind seeing and all that, see. Just because of that love. There's no greater power than the love of God! And wouldn't that be wonderful to be sitting in a group like that and see such love coming out of your heart and you feel that great Holy Spirit and that great love of the Holy Spirit? Just anointing every person in there, miracles taking place in the congregation. Brother Branham said, that's what he longed to see. And here we're right up here when that's got to come forward now. And now we're working out all these things, and seeing these things materializing, we're coming right up to those signs of that great apostolic church. Oh, I'm under great expectations children that this will be the year! That 72 will be the year. For what we see, is the best thing that could happen.

Now, we have communion tonight. I want to thank several of the brothers that give a little envelope of money to take down there with me I'll watch over that real careful and try to see where those little token brothers preachers you know that are faithful there. They've been faithful for three years now. And I don't know how it's gonna work out.

See, I go down there and I got a lot of enemies you know. They hates this Revelation you know. When they find out I'm there, then the devil roars like a lion! So, you pray for us you know. I want to speak of the Lord Jesus, but it's the ministers I want to get to. If I can break the revelation over and help give them something to sharpen their swords against the enemy you know. It's real hard on them, so you pray for us. Some of those little brothers have it awful hard and their married men and they have hardly no income coming in hardly at all. I think one of them is trying to get a little chicken thing going. And he's just making just a little bit from that. And we will see what the Lord will lead us to do, and what we could do for them. We'll see what the Lord will lead us to do. We can't do much, this little assembly we just can't. We tried to feed Brother Brown's congregation, and we did what we could there. And we will see what we can do down there. We're taking a lot of clothes down for the brothers. I know they'll be awful happy. Some of those little brothers just may have just one little shirt, you know. They try to keep one pair of little pants patched up, to make it, you know. They see all those nice wash and wear trousers, and a lot of them brand new. It looks like I've got thirty or forty shirts. So, they'll go a long way. If they get two shirts a piece, or one a piece, that'll mean a great deal. One of the little brothers is a real man of God, just as humble and as sweet as can be, never ask for a penny. Not one time in his letter has he ever hinted for one penny.

Then I asked him what we could do for them and he said, well, Brother Bob the greatest thing you could do is come down here. We'd love to come to America, that would be a great honor to come to America, but it would take a lot of money to fly up there. It would be great if you could fly here and tell all the people about the Revelation. He said, it wouldn't be fair for us to come!

Then I thought sending all those ministers, trying to get them up here to United States so they could go around and get offerings, and get help. I understand that, sure! I'd probably want that too, if I lived down there and I was as poor like that. But these brothers, they never mention a thing. So, I'm sure whatever we do for them would be greatly appreciated.

You don't know what it is to be down in that country and most of them probably never had a twenty-dollar bill in their whole life, and those are married men. No way in the world could they could get a hold of twenty dollars. You don't know what that is, when they get a little bit of money like that. You know what they do? They share it with one another. What we did down there before, what did they do? They shared it right down the line with all the other ministers, clothes and everything.

And the little Brother Dalton Bruce said, "Before I met the Lord I hardly had even a pair of pants and just one shirt." He said, "Now the Lord Jesus has so blessed me since I started

ministering and trying to serve him.” He said, “He’s blessed me with three shirts now, and three pairs of pants now I’m a rich man.”

See, the attitude is altogether different down there. So, they don’t have a lot of food in their houses like we do, but I tell you they’re wonderful little people. I hope you’ll be praying for them. Pray I can say something to be able to help them. I appreciate those little offerings that you give, and I’ll assure you that it will go to them, and you know it will.

And now if you’ll open your Bibles just a minute.

How many with what I said this morning... so cut up and everything? But how many that helped you to understand the five-fold ministry better? Now to tell you the truth, that always bothered me. It always bothered me how this minister could come and say it’s this way, and this man would come and say he’s called of God, and he’d say it another way. And I often wondered, well, if it’s God, then it’s God’s spirit. If He reveals this here to this servant and it’s the true spirit revealing it, won’t he have to say the same thing over here? Now to prove that out, to prove that out?

Of course, you know how Brother Ruddell respects this ministry. And you know he’s a man of God, no man can put a finger on his life. He’s got seventeen years of no man can put his finger on his life. And, so does Brother Canada.

When Brother Don (*Ruddell*) first started coming into the Revelation, he wanted my tapes. He really kept after me you know. And I said, “Brother Donald” I said I wouldn’t mind you having my tapes I am honored. I really am honored that you would even want to hear my tapes, being you are a great man of God as you are.” I said, “I appreciate that.” But I said, “Brother Don, now that you’ve caught the Revelation, now that you’ve caught it and now that you see it. Now, I know that you do.” I said, “The same God that revealed to me that revelation...if I see that You got it and I believe you have and I believe that you’re a servant of God. I believe with all my heart that you’ve got a ministry. The same one that revealed to me the Revelation of the message,” I said, “God will come to you and reveal to you the same thing.” Then I said, “Then when I come to your church not knowing that, and I get up and preach, then that will make you even stronger and stronger in the Lord and it’ll do your people the same way. Because when He reveals it to you by the Holy Spirit, I’ll come and I’ll say the same thing that you say and it’ll never contradict. If it’s God’s Revelation it’ll be the same.” I said, “You might just preach it in your own way, you wouldn’t be able to say it like I do. But when it comes out, it will be the same Revelation only coming out of a different kind of ministry.” Now I did that.

See, I don’t talk to much Revelation with the brothers at all. They haven’t heard any of my tapes, I don’t let them have them. Now, how many times have they been here? Have you ever heard them preach any other thing than what I preach? Have you? See, that not only helps them, see but that helps you. That helps you, makes you see that’s God, that’s the Holy Spirit doing that. Hasn’t it been a great help to you, and up building to your faith and edification? What do you think it does to me when I’m sitting over there, and I see that man’s life and I know he’s a man of God and I see that same Holy Spirit, revealing the same Revelation? See, that goes to show you...

How that I tried to bring out this morning what a five-fold ministry is. How that first there has got to come to a prophetic gift. And when it comes to that prophetic gift, it’ll flash out like the Urim-Thummin. It will flash out the true interpretation and the Revelation of God for the hour. And then when any of those ministers that are true...

Now we have to face it now, and it’s hard on me, and I suffered for years over it. And I’ll probably suffer some more, because you want to think that every preacher is a man of God, and

you don't want to think they're not anything else. But now Brother Branham said that's it if you ever want to get into trouble, just get mixed up with a bunch of preachers.

Now we have just gotta come down and face it right out, that at this present time, as far as we can see, there's just not gonna be many truly divine called offices in the true church of Jesus Christ. Well, you say how many? Well, I don't know! But there will not be very many. But every one of them that are truly divinely called, every one of them... Where we learn this morning and go over it again tonight.

If you want to look in Ephesians, I'll add a little bit to that.

Now you notice that the Holy Spirit doesn't... we don't preach any evangelistic messages any more. Did you notice that? I said this morning, God why don't you give me something, an evangelistic message, something happy or something? It won't come, the Lord won't deal with me that way at all. It's just doctrine, all the time. Do you know why that is? You know why that is? Preaching an evangelistic message just catches a sinner, catches them. That's all it does, it don't do no more for them. But teaching, will show you your position in Christ. Preaching will catch the sinner but teaching, settles you down and begins to positionally place you into the body, see. How many understand that? You say, "What is the most valuable thing then?" Teaching! Teaching!

Now let's read again, here this same scripture we read this morning. Start reading in Verse 8 of Ephesians 4th Chapter.

Ephesians 4:8-15-Scripture Reading;

"⁸ Wherefore he saith, when he ascended up on high, he led captivity captive, and gave gifts unto men.

⁹ (Now that he ascended, what is it but that he also descended first into the lower parts of the earth?

¹⁰ He that descended is the same also that ascended up far above all heavens, that he might fill all things.)

¹¹ And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;

¹² For What, for the perfecting of the saints, the bride the sanctified ones for the work of the ministry, for the edifying of the body of Christ:

¹³ Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:

¹⁴ That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;

¹⁵ But speaking the truth in love, may grow up into him in all things, which is the head, even Christ."

May God had a blessing to the reading of his Word.

Now notice here, as we were saying this morning, that every one of these offices; pastor, teacher, evangelist, all these different office gifts, have got to recognize the prophetic gift.

Now notice here, that there will be more than one prophet in the Bride. There will be more than one prophet. More than likely, they are young men that would be New Testament prophets that are not even in training for that right now. But will be used as men like... not so much as bringing out the great Revelation of God, but they'll preach. They'll have the Word of the Lord. Like up in Antioch, the Bible said there was many prophets up at Antioch.

But see, there wasn't none of them like Paul, see. Now notice here, as I was sayin this morning... of course we couldn't say these things out nowhere, but were just a little family here, it's too deep. Paul said, I now try to feed you with meat, but now you need somebody to come back and give you milk over again. We're able to bear these deep things and hold steady, hold stable under them and don't run outside and get all excited and make a cult of it, but just keep steady with the word. Hold steady and calm, see.

Now notice here that, the only way that the Lord Jesus... now let me quote this scripture. The Bible said... you'll find it over in Psalms, somewhere. I don't know what Psalm it is now. But listen to this scripture. The Psalm of David said, by a prophet he brought them out of Israel. By a prophet He brought them out of Israel and by a prophet he preserves them, see. That's the way it's quoted. If you want to look it up when you get home. By a prophet he brought them out of Israel and by a prophet he preserved them.

Hosea 12:13-Reference quote:

¹³ And by a prophet the Lord brought Israel out of Egypt, and by a prophet was he preserved.

Now notice, that is the only way that the Lord can reveal Himself, is by a prophets anointing. That's the only way that He has to reveal Himself, because the prophet is made up in such a way that He can yield himself so that the Lord can reveal Himself. See a teacher is not made up that way. Now notice here, that a prophet, that a real prophet of God... See a prophet... let's say he's right here, this is a prophet. Now notice a prophet, apostles and a prophet, evangelists, pastor, and teachers. Now notice, no teacher can come up here and do the work of a prophet. He cannot come up here, and do the work of a prophet. Neither can a pastor, come up there and do the work of a prophet. Neither can an evangelist come up there and do the work of a prophet.

But that prophet can drop down... each one of those gifts are a lesser gift. A prophet can jump down there and get either one of them. And all five of them could be in one man, see all five of them.

But now notice here, when this major prophet, Malachi 4:5... Now you got this on tape where I showed you scriptures nobody knows about, where it's laying right there, more prophets are coming. And I've proved it by the Son of Man. God dropping down in the Son of Man. The Shout is a prophet, and so is the Voice.

How could God get... how could a teacher be made up in such a way that he'd be so relaxed that God could take his vocal cords and begin to talk and it be the Voice of God speaking? See, it couldn't be. It would have to be a prophet!

Now notice here that's the only way... that is the only way that this great anointing of God, for this eagle anointing, would have to operate through a prophet.

Now notice here this great first prophet that we seen since the early New Testament church. The first one that come on the scene, has been Brother William Branham. And that why he so shocked the world is because he was a prophet. And yet, it still stumbled people, when he would say, "You believe me to be God's Prophet?" Now that was common in that day. Paul... said "Paul an apostle." And they say, "Agabus the prophet." And it said, Barnabas was a prophet. Silas was a prophet. See, they had all kinds of New Testament prophets. And that's the way it's gonna be in this end-time.

But this morning I was trying to show you that after Malachi 4:5 leaves, that major prophet, then... I got a note here I want to get to. Notice here that after Malachi 4:5 leaves the scene; the

antichrist comes on the scene powerful. And that is the loosing of the antichrist. The antichrist was loosed you see, when the prophet left the scene.

Notice to you that were praying, remembering when that accident happened? Don't you remember when (*Brother Branham died in the hospital*) how the enemy come in like a flood on ya? How many remember that? It was like a nightmare. Let's see your hands you remember that?

What was it? See, the enemy coming in like a flood, the antichrist come in like a flood. All kinds of men I know personally...all kinds of men raised up in United States they were taking Brother Branham's place as a prophet. They even come to Tucson, called on the phone, this one popped up, and that one popped up.

And people should never think... see that laid there all the time, now them rabbits begin to jump out everywhere, see. Why? Is Because the real authority of God was lying in the hospital, ready to pass off the scene.

Now notice, after he left, he's been gone six years, in between that time, it was loosing of the antichrist, false anointed ones were loosed.

Now, haven't I told you time and time again that these men out here, like you know, all these men out here, these evangelists on the field. Why are all these men out there, different ones, I don't like to call their names all the time but you know.

See, there's no deception with that to give you a test. After you've heard the prophet of God, heard this great prophet of God speaking, how could that give you a test?

But notice, Brother Branham said, the Judas, the false anointed one, was sitting right up around the message, right around the supper table. And he said it was down to a millionth of a hair. You know the little song Brother Gibbs and Sister Deedee sang, it's down to a millionth of a hair. How many have heard it? It's down to a millionth of a hair more deceiving today, than it was back there.

William Marrion Branham*

*108 And he gets sanctified. He can shout, praise the Lord, do some things, too, go out and do thing. Remember, Jesus said that type would be there at that day. "Many will come and say, 'Lord, have not I prophesied, preached? Have not I cast out devils, in Your Name?'" Jesus said, "I didn't even know you, you worker of iniquity.'" See, there they are. 109 Now watch this now. **We're coming to making the hundredth millionth's of a hair, right down to the sharp edge of the Gospel.** "Sharper than a two-edged sword, cutting even to the asunder of the bone, and a Discerner!" Hallelujah! God, let it go through. "A Discerner of the thoughts of the mind." That's the Gospel, the Power of God. The Word of God made manifest is the Gospel.*

Now that is the loosing of the antichrist. Now don't you know that God would have to have an office of a prophet on earth. And the Bible said, He has not left the earth without a witness, at no time. Then what kind of witness would he have on earth? It would have to be a New Testament prophet.

Now notice that when the seals were opened, Brother Branham said on Souls in Prison said, what is the seals, is the loosing a ministry. Right?

Endnote:

*62-1014M - The Stature of a Perfect Man
William Marrion Branham*

*60 Now, after we get through with the Seven Seals, then, at that time of the sounding of the **Seventh Seal, or the loosening...** Course, we know what a seal is, is to loose the ministry, to loose Seven Seals. And we'll see that right on the chart. **Is loosing a Message, something that's sealed up.***

So, then that would have to be the Bride's ministry then, wouldn't it? So then how is the Brides ministry going to perfect the Bride unless first it gets to the ministers? Right! So therefore, no teacher will be able to line the pastors and everybody up. Evangelist won't be able to do it. So, it would have to be an office of a prophet. Now since God rules over His people by the Word. He don't rule over them by a man, but He rules over them by His Word in the man.

So therefore, when the pastor and the teacher, that's really got a genuine call of God, when they come in contact with whoever that is, see that's got that prophetic ministry. They are spiritual those pastors, evangelists and teachers those offices. They will immediately recognize that to be the move of the hour. They'll recognize that to be the revealed Word of God and they are made up in such a way that they will humble themselves right down to that and accept that as God.

And then God will honor them by doing that, and then they will receive the same Revelation that's coming forth through that prophetic gift. They'll receive it by a divine Revelation, then they'll begin to perfect whoever is under their ministry. And that will bring all of them that's listening to those true ministries...that will bring them all into the unity of the faith. They'll all have the same faith.

What will it do? It said, that ministry would bring us up unto the Statue of what? He gave apostles, prophets, evangelist, pastors, teachers for the perfecting of the saints. For the edifying of the body of Christ. Until we all come into what? Unto the Statue of a Perfect Man.

Ephesians 4:10-13-Reference quote:

10 He that descended is the same also that ascended up far above all heavens, that he might fill all things.)

11 And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;

12 For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:

13 Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:

Now notice as it said, you wouldn't need those ministries if you were already in the body. I mean, if you were already perfect, why would you need any ministers to come forth. I mean if you were already a finished product, why would you want to go ahead and stand around getting polished some more? See! But, notice here, you are the body... you may not be in the literal

body of Christ by that Holy Spirit, Capstone baptism, but if you are Born-Again, you are the body of Christ. You may have not have come in submerged into that mystical body of Jesus Christ yet, see. But you are being perfected as an individual with faith, virtue, knowledge, temperance, patience, Godliness, brotherly kindness, and you are coming up there waiting to go into that body, to make. up that great rapturing Bride, see. All of that has to be honed down, every one of those individuals has to be honed down and polished down, cut off, smoothed out sanded out, and all the rough edges taken off. In other words, overcomers. Then that sealing angel will place them into that great body of Jesus Christ.

Now notice, at this time of the loosing of the antichrist, here is a great dangerous state! There will be all kinds of men that think they are... they'll feel that out there. Because of praying and seeking God and have a great desire to be a... I never seen and hour in my life when men want to be prophets. Like that little precious brother that was here in the church that raised up and said, he saw these birds and thought he was a prophet see. Now what has he done, he led all them, tried to take all them poor people to Israel, that the rapture already took place and they was in the tribulation, and they was going to Israel, see.

See they just try... see what happens. This is the hour that we're living in when so many men are trying to pull themselves up into something that God hasn't taken them up there.

Now notice, God lifted Brother Branham up there in that realm. And God lifted him up there, and God held him up there. Now notice here, people don't understand this but this is the truth. I don't say it just because Brother Branham said it, but it's the truth. A man like that... that I'm speaking about, these prophets in this last day, catching the Revelation of Brother Branham like it was those mens spirits are so keyed up and so sharp, like a razor honing edge, that they are keyed up to where they are a hairline from insanity all the time. Just as neurotic as can be, a hairline from insanity. Unless God has lifted a man up there and keyed his spirit like that, just like tuning a piano string. When you get it up there till you just can't stand another twist all. If he stood another twist, his mind would just break, see. Now it has to be that way, that man's spirit has to be that way, see. But it takes God to lift him up there. And if God has lifted him up there, it's the grace of God that holds him there to keep him from going insane.

Now Brother Branham said that, and I know personally that's the truth. Because you don't know what power of the enemy comes in upon you like a flood in that realm of the spirit. As Brother Branham said, there's no higher realm, no higher can a man get, than to catch that Revelation of this end-time.

Now of course your down here to a dull axe honed down but can you imagine a dull ax and a razor honed out see. Now you see all these men have a desire to lift themselves up into a realm like that. Well, what is the use of trying to imitate an eagle. If you try to follow way him up there where an eagle prophet can go, it'd just blow feathers out of you, you couldn't stand it up there. I know when you get up higher, you can see more, but what's the use in getting way up high if you don't have eyes to see.

Now an eagle... they tell me that an eagle when he gets way up high up there, he gets way up high up there he can see a ground squirrel from four miles away. Can you imagine that? A ground squirrel is about that big. He can see a little ground squirrel as much as four miles away. A little ground squirrel! Now you see what an eye he's got! Now a hawk couldn't do that. Why do they call it a ole hawk eye? It's not a hawk eye, it's an eagle eye. An eagle eye, and he's made up to fly way up high... what's the use try to fast yourself or try to a... so many men in this hour and they're all over the country, around the world and I know them personally, I've talked with them. I talked to a good brother and he thinks himself to be Moses. Now to me that's

a most fearful thing as can be, sitting around and trying to act yourself into a part, imagine you got discernment.

You know we're just a little church but I want you posted; I want to tell you the truth. I looked right in the face of good ministers you've heard preach, and believe they are men of God? I've looked them right in the face and said, "You don't have no discernment at all and don't you never try and discern me again!" I said, I want something real and I appreciate the Word of the Lord, but don't you never do that to me again. And I've had some real verbal, blow by blows, with some preachers. I don't like to fight, but you pin me down and hem me up in the room, I ain't gonna take it. I'm just gonna speak my peace! I want something real and genuine, but I want something real not a phony, see. And then they make you think...I seen ministers come and be around and they sit there and act like their seeing a vision, or something. Well, my Lord have mercy, it makes me so scared I want to run and hide. But you just got to suffer through it, you know. Now you'll never impress me! I don't mean to be funny but it's the truth. And that just embarrasses me, I don't know where to look at and don't know where to run.

My poor little wife says, honey if that man don't get out of here pretty soon I'm gonna go off and get me a room somewhere, or go stay with one of the sisters. She said, how much longer is he gonna be here? She said, I can't stand no more! She was just a nervous wreck! And I'm a nervous wreck!

Now, they say to me... let me tell you this vision, let me tell you that vision. And they don't make any sense! And they say, the devil is on top of the trailer, I seen seven devils on top of your trailer. All kinds of stories you know. I stopped the rain, and I done this, and I caused that. And to me they were as powerless as can be.

One said he spoke the Word. But he got out in the boat and tried to speak to the fish and almost turned the boat over and drowned everybody. I mean, that's just gonna keep you away from the real genuine thing.

Why try to work yourself into something that you know you can't get into and miss the real thing when it comes? Why not be humble and simple and poor in spirit. And if God has something for you, He'll give it to you! Men go along in the car and act like they are in a trance.

Let me tell you something! You don't want to be a preacher, please! You see Brother Bob come here behind the pulpit, you don't know what goes on down there, on Cherry Hill Road. You have no idea what goes on in our home.

Shirley went in to change banks over there, to open a new little checking account. And do you know why? They give out little dishes over there, see. Mark said, mom why don't you just go ahead and tell dad the truth, you wanted to move the checking account over there so you can get a little dish. So, if any of you brothers find out your checking accounts has move, it's because they give away a little dish over there.

Oh, I'll get it when I get home now! *(the congregation laughs)*

I went to the table last Sunday, and... Not just one dish now, she's got several of them. She went over there to get a gravy boat to put gravy in when we have company, now she gets a dish every time she makes a deposit. A lady at the bank said, Mrs. Lambert you sure have a lot of company over there don't you? She said, yes, we have a lot of company. All the people around our town know about it. Shirley never had a set of real china, until we moved here to Connecticut. We just had mis-matched dishes we got from the Goodwill.

Don't know why I got on that, but we do have a lot a company and many of the guests, preachers that come, think they are surely called of God. It makes it difficult on my family to

listen to them, and when they are in your home, it is only good manners to try to be a good host and hostess and listen to them.

If you realize what went on, see! I would to God, that's wonderful brothers, praise the Lord, see go along with it. But Oh, it's so hard and you sit there and when you know the man is in a delusion. But you don't want to hurt his feelings and you love him and your heart just bleeds for him, because when you see him like that then you know he's not even born again. And you see him trying to pull himself up into a realm there that God is not bringing him to.

It's like a friend of Brother Branham's, Leo Mercer... and I'll never forget this, this stayed with me. He had a vision of Brother Branham, a dream I mean. He saw Brother Branham standing off in the sky on a disk with light all around him. And Brother Leo started to climb the mountain trying to get up there to him. And when he was climbing the mountain trying to get up there on that disk where Brother Branham was, Brother Branham turned around and said, Leo, you can't come up here, don't try it. Brother Branham said, go back down to the foot of the mountain and just tell the people that this ministry has come from God! You've been a witness to it, just tell them it come from God. Brother Branham said, Leo it takes God! Leo said, Brother Branham I want to come out there, how did you get out there? He said, Leo, God put me out here! No man can come out here, unless God takes him out here. Brother Branham said, you can't come out here, go down there and tell the people that this ministry come from God!

Now there's a great spiritual truth there. I personally as your pastor met all kinds... I don't know how many men that I know that... I couldn't count the men I've met secretly, that believe that they were a great somebody!

In fact, I'll just tell you the truth, about the only two men, two preachers I haven't... Brother Mike Canada and Brother Don Ruddell, are the only two men, the two preachers, and I'm truthful, that never give me a terrible trial. Just humble and sincere going right on just real genuine servants of God. Now to me... I told Brother Don, God will use you one day and God will use Brother Mike one day, He'll use you.

But see, I've met so many ministers trying to project themselves into... You have no idea how many men that my wife knows, that I've told her personally that they believe that their Elijah and Moses. It just wasn't too long ago that this brother... I knew he was getting into a spirit, and a spirit was getting on him, he thought he was Moses.

Now brother let me tell you something, Moses and Elijah are to the hundred and forty-four thousand, they are not to the Bride of Christ, see. And I knew he was getting into that thing, believing he was Moses. And then a... I just a... you know, go along and finding out things. He said, Brother who do you recon that other one is? He said, your name come to me three times. See, that scares me so bad that I want to run! See, what is it? Men trying to lift themselves up off into something that God hasn't lifted them up into. Now what is the good of it? If they do get way up there, what's gonna happen to them? It'll blow every feather out of them. They won't be able... they'll blow up, they won't amount to nothing! Wouldn't it be better to just get down here and not try to do that and just get something real and genuine birth of God and just be a real child of God, and if God has got anything for you, He'll reveal it to you. It will only end up in chaos.

What is it? So man trying to lift themselves up into a realm that God hasn't lifted them up there. Now notice here, God lifted a man up there... if He lifted him up there, He'll be the one that'll keep the man. It's His grace, His mercy and His strength that will keep that man, and he won't go off to this side or that side but he'll go down the middle of the road, because the gift is of God. Now I believe that with all my heart.

Brother Branham leaving the scene... If all these men imagine that they are somebody, then there has to be a spirit of the truth of it. Then God has got to have witness on the earth. And I believe there can only be an eagle anointing, a prophetic anointing, in an office in the body of Christ that would bring the other ministers and bring the saints unto the statute of a perfect man, unto the sealing of the capstone. All those ministers and offices would recognize that.

Now notice, when God gives an office like that, He may not do it right at once, but in His given time, He will come and testify of that gift. Now remember here, when Brother Branham's gift came, that office came to him and sent him out on the field and all at once. It came up, that that gift was in question. In nineteen and fifty-six it came to question in Houston Texas... Listen to it on the tape. When Brother Branham went down there and said, I'm not a divine healer, but said, now this gift, if this gift that I have, if that's in question, He'll testify of that. And down through there came the angel of the Lord. He said, He's here now! He'll testify of it, I don't have to say nothing, and he turned around and walked off. You know the rest of it.

Now notice here, that God... the Bible said that the gift makes room for itself. You don't have to try to persuade people that you have an office, you don't have to try to tell it. You don't have to act like you're in a vision. You don't have to act like you got discernment, see. But a gift of God that He has given as an office, if He has given it, it will make room for itself.

Like Joseph down in prison. Joseph had no way to get out of prison. Joseph had no... he no intellectual powers or nothing that could bring him up out of prison. How was all his brothers gonna bow before him, him down there in prison? How was all these great things that God told him, going to come to pass? That wasn't Joseph's business, that was God's business. God said, they would all bow to Joseph. It was God's problem to bring all that around and make it come to pass. Joseph would have just stayed down in prison; nobody would listen to Joseph. Nobody believed that Joseph had the Word of the Lord, but when the hour came, God made room for the gift. And I even think even as the Psalm of David said it. After the Word of the Lord tried Joseph, his gift brought him up out of prison, see. God came and testified of the gift that He gave Joseph. And it was His office, His gift that He gave him that brought him up out of prison. And then if everybody that got anything to eat they had to come to that and get it. Now so is it today! So is it today, if God has sent a true divine office for the Bride of Christ, then God is under obligation sooner or later to come and back that gift up. If not, it never come from God! Because God will testify of His gifts. And that's why that I believe the first thing that God does with a ministry like we're talking about this morning, the first thing He does is train him, and give him the revealed Word of God. That in itself, is the first vindication.

William Branham

*133 He, the Voice, come back, said, "Not a king's sword, but, **'THE KING'S SWORD,' THE WORD of the Lord.**" Said, "**Fear not. It's only the Third Pull. IT'S THE VINDICATION OF YOUR MINISTRY.**"*

17 Wonder if you little boys or some of you could tell me who the third man was that had that Spirit? Could you do it? Huh? Any student there can raise your hand and tell me who the third man was that had that same Spirit? Huh? John the Baptist. He came out of the wilderness. Jesus said, "This is the Elijah which was spoke of was to come restore all things." And it made Elijah—made John dress just like Elijah, perhaps acted like him, but John did no miracles. And **that same Spirit is predicted to come on the earth today again the second time. And I believe that it's on the earth today. And it is preaching a great message of repentance through a mighty man of God who does no miracles, speaks not of miracles, but blasting the world down with a message of repentance. AND FOLLOWING JOHN CAME JESUS, not preaching too much, not much of a preacher, but was performing signs and wonders as a vindication that John's ministry was in season and a vindicated. So we're thankful to the LORD TO BE LIVING TO SEE THE DAY THAT HISTORY REPEATS ITSELF AGAIN. AND WE'RE LIVING IN THAT DAY.**

Now get this...Now here, get this real straight. I don't care how great a man may preach, how inspired it may seem that he is and how anointed he may seem to be. I have seen men preach like an automatic pistol and the greatest message you ever heard in your life, and be just as deceived as deceived as could be, see.

But now notice, it is a total impossibility for any man that's not born again to line the Word line upon line, precept upon precept, hear a little bit, and there a little bit. You have got to be, and you have to have the real goods. You've really got to be born again, and have a life of God in you, and an office of God, to be able to line all the Word out and make it fit perfect. No man is able to do that unless he's genuine from God. But they are able to pull themselves up into a place to preach certain things. Now that's why...that's why we need a genuine God sent office of a prophet to the Bride of Christ to establish them in the Revelation. As the scripture said here through Paul, that they'll not be tossed to and fro by every wind that comes your way.

Isaiah 28:10-Reference quote:

10 For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little:

Ephesians 4:13-15-Reference quote:

13 **Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ:**

14 **That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;**

15 **But speaking the truth in love, may grow up into him in all things, which is the head, even Christ:**

63-0324E - *The Seventh Seal*
William Marrion Branham

402 Because, before we even went into It, and I left to go west, the Lord showed me a vision one day, about ten o'clock, one morning. And I come and explained it here, that I had seen it; didn't know what it was. It was a constellation of seven Angels. We'll remember that. You'll get it on the tape, called, *What Time Is It, Sir?* Well, now, that is exactly what you're seeing now. The seven Angels...I was in the west. 403 You remember, the little bitty messengers; they went east. The second messengers, the doves, little bit larger bird, they went east. And then I looked...They was with me, all the time. That was that First and Second Pull. **404 Now, the Third came from the west, sweeping forward with great, terrific speed, and They picked me up. That was coming back east, with the mystery of these Seven Seals.** Just like it said in—in Junior Jackson's dream, that the Lord let me interpret for him there, "On the inside of that pyramid, there was white Stone that wasn't written on." That's the reason I had to go west, to connect with these Angels' Message, to come back here to reveal It to the church. Remember, I said, "The next things that happen will be here at the church." That's just exactly. 405 Another thing, I want you to notice what taken place. And if you're listening to the tape, of the *What Time Is It, Sir?*, **you will notice that one Angel was very notable to me. The rest of Them just was seemed ordinarily. But this Angel was a noted Angel. He was to my left, in the constellation in the form of a pyramid.** 406 **And, remember, it was in the pyramid, where the mysterious white Rock was not written on. AND THE ANGELS TOOK ME INTO THAT PYRAMID OF THEMSELVES, THE MYSTERIES OF GOD KNOWN ONLY TO THEM. AND, NOW, THEM WAS THE MESSENGERS HAD COME TO INTERPRET THAT PYRAMID, OR THAT MESSAGE OF THE SECRET OF THESE SEVEN SEALS WHICH LAYS WITHINSIDE THE PYRAMID.** 407 Now, the Angel, was to my left, would really be the last, or seventh Angel, if we would count Them from left to right. Because, He was on my left; me looking to Him, towards the west, **Him coming towards the east, would be on the left side. So, that would be the last angel's Message, very notable. Remember how I said He had His, got His head back; and His great, sharp wings; and how He flew right to me. Now, that is this Seventh Seal. It still is a notable thing. And we are...We don't know what It is, as yet, BECAUSE IT'S NOT PERMITTED TO BE BROKEN.** 408 But now, each one of you in the meeting has noticed that, what a meeting it's been! Everybody just seemed to be at...right on the end of their seat. And everybody standing around here, at one, two o'clock in the afternoon, waiting for the doors to open, and get up here in the front. Standing around the walls; cramped limbs, and everything. 409 What is it? It's been the **HOLY SPIRIT SENDING DOWN THESE MESSENGERS,** and They have been revealing It to us. **AND THEN NOTICE HOW IT'S DOVETAILED WITH THE WORD, EXACTLY.**

102 Then it's all drawn out, or wrote out on a piece of script like that. Then it's tore in two, like that. [Brother Branham tears a piece of paper in two—Ed.] Now you take one half, and I take a half. And now, you see, **YOU CANNOT DUPLICATE THAT AT ALL, ESPECIALLY WHEN IT'S WROTE ON A SHEEPSKIN. SEE, YOU COULD NOT DUPLICATE IT AT ALL. THIS**

HAS TO EXACTLY DOVETAIL WITH THAT, TO MAKE IT SO. AND THEN WHEN WE COME TOGETHER, I'M CARRYING ONE PART, YOU'RE CARRYING THE OTHER PART. AND THEN WHEN WE COME TOGETHER, AND THIS COVENANT IS TO BE MADE, AND OUR VOWS IS TO BE PAID, THEN MY PIECE OF PAPER MUST EXACTLY DOVETAIL WITH YOUR PIECE OF PAPER, AND THEREFORE YOU ARE THE ONE THAT'S WITH ME IN THE COVENANT.

62-1230E - Is This The Sign Of The End, Sir?

William Branham

306 It's on the backside, when a Book is completed. Not did he say, "On the front side." He said, "On the backside," after It's all done, completed. Then, these Seven Thunders' voices is the only thing, that's stuck to the Book, that's not revealed. It's not even written in the Book. 307 Oh, my! I wish I could get that, that the people could actually... Don't fail. Don't, don't fail. Please don't, this time. I'm fixing to leave you. Don't fail. You ever listened, listen! 308 These Seals are on the backside of the Book. "And at the time that the seventh angel is sounding, all the mysteries that are written in the Book is completed." And immediately the Book, that was open and written within, is closed, "The mysteries of God is finished." And this is the mysteries of God: the going of the Church, and all these other things. "The mysteries is over." When that seventh angel sounds out every mystery, it's over. Let him be who he may, whatever it might be. God's Word can't fail. And He said: But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he has declared to his servants the prophets. 309 All those things, like, oh, Rome being the—the whore, and all the Protestant churches, denominations denominating after her, has become her harlots. See? All those mysteries, that the prophets spoke of, will be revealed right here in this last hour. 310 And when this seventh angel rises in the Laodicean age and begins to sound forth the true Trumpet, because It'll be contrary, they won't believe It. **THEY SURE WON'T BELIEVE IT. BUT, IT'LL BE AN INSPIRED PROPHET, BECAUSE THERE'S NO WAY TO FIGURE IT OUT.** 311 Men try to figure out the trinity, and go gray-headed and go crazy. No one can understand it. They still believe Eve eat an apple, and all those things. Because, it's tradition that men has held onto, just like Jesus found the church. 312 **BUT IT'LL HAVE TO BE A DIVINE-LED PROPHET, FOR THE WORD OF GOD TO COME TO HIM, WITH THE TRUE INTERPRETATION OF THE REVELATION OF JESUS CHRIST.** So, then, it—it's got to be that way. God help us! 313 Now, "When he is sounding forth," now, that's THUS SAITH THE LORD. We have that clear. When he sounds forth his Message, declares war; like Paul did on the Orthodox, like the rest of them did, like Luther, Wesley, against the organization. **When he declares war, and tells them, "They are lying, and it's not the Truth! And they're deceiving men!" WHEN HE SOUNDS FORTH THAT, YOU CAN'T FAIL. IT WON'T FAIL, BECAUSE HE'LL BE VINDICATED BY THE WORD OF GOD.** You'll know exactly what It is. And when he does, he sounds forth, to call from Babylon, "Come out of her, my people, that you be not partakers of her sins." God, send him! Don't miss it. 314 Now, **"When he begins to sound, the mystery will be finished."** Now, note, then it's time for the Seven Seal voices, of Revelation 10, to be revealed. Do you understand? [Congregation says, "Amen."—Ed.] **When all the mysteries of the Book has completed! And the Bible said, here, that he would finish the mysteries.**

Now look, people across the country are sitting ducks for ministers. Look at this fine minister over in India, over two hundred or three hundred people following Brother Branham's message have done went to India after that. One of them is a personal friend of mine, several of them. Good people, you wouldn't meet finer people that walks the earth than those people. And they sincerely believe that's God. Got signs and things, pillar of fire, clouds, and everything. But to me it's off the Word.

Now see, what is people gonna do? What is that poor little Bride gonna do out there, when the antichrist has been loosed and she don't have any Revelation? And every minister going by, "Where did you say that group was?"

God help me, and this Bible before me, I've never done that in my life. I've never done that in my life. What did you say, how many did you say was over there? Whew, their gone! Poor little people out there are just sitting ducks for the preachers crossing the land, see. They would be better off if they went and got them a job and went to work. Now what is it? The antichrist is loosed.

What if God didn't have a witness on earth? What if God doesn't have somebody here that's caught the Revelation, then the little Bride would be deceived. But the Bible said, that it was impossible for her to be deceived. Why? Is because God has got to HAVE SOMETHING ON EARTH TO OPEN UP HER EYES. But the spirit... Matthew 24:24, said the spirit of those ministering spirits would be so close, that it would deceive the very elected if it was possible. That they would think it was an angel of light.

Matthew 24:24-Reference quote:

24 For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

The Great Word Test 3-7-71 Am

Robert Lee Lambert

*Now, in closing -- any individual that claims to follow this message, **there will come a time when all that you heard and all that you saw, God will give you the word test. Before you can ever enter into the promised you have to come to the Word test. Matthew 24:24 said, the spirits would be so close it would deceive the very elected if it were possible. I say, IF THE SEALS HAD NOT BEEN LOOSED OFF THE BOOK, SATAN WOULD DECEIVE THE VERY ELECTED, because I myself was deceived. I had some revelation, but revelation on the truth - I didn't have it. Satan had me bound in fetters and chains. BUT WHEN THE SEALS WERE LOOSED, THE HOLY GHOST CAME AND TAUGHT US THE TRUTH. AND THE TRUTH SHALL MAKE YOU FREE.***

Don't you marvel, Paul said, 'Don't you marvel that Satan himself is transformed into an angel of light, preaching righteousness.'

2 Corinthians 11:13-14-Reference quote:

13 For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ.

14 And no marvel; for Satan himself is transformed into an angel of light.

He's not gonna come to you, preaching a Pentecostal message. He's not gonna come to you with Baptist doctrine, church of Christ doctrine. But the devil is... who's he after? The devils after the Bride. The Baptist people can't hurt the kingdom of the devil! But it's this little Bride that's gonna do him damage. And the devil has got to do her damage. So how does he do it? He's coming practicing, laying waiting to deceive... he gets in a preacher and makes him think he's somebody and lifts himself up into a place there, makes him think he's something. Gives him a certain amount of the Word of God in him, anoints him with a powerful anointing and sends him out there to get you off the Word of God. Maybe just carry you right along, and maybe you're going right along with it. But if there isn't a true gift of God there, with enough Revelation to catch that and combat that thing, where would the little Bride be?

Remember after Brother Branham's gone and the seals were opened, it loosed a ministry. It loosed a ministry that would have to be God's witness in the earth. That would have to be God's servant in the earth. Gods' faithful servant that catches the true divine Revelation of God, that will have a Revelation that will expose every antichrist devil. Notice it's only the revealed Word of God that's able to expose the antichrist.

*An Exposition Of The Seven Church Ages - 1 - The Revelation Of Jesus Christ
William Marrion Branham*

But the Book of Revelation shows how that the antichrist spirit would come into the church and defile it, making it lukewarm, formal and powerless. It exposes Satan, revealing his works (attempted destruction of God's people and the discrediting of God's Word) right down to the time he is cast into the lake of fire. He fights that. He cannot stand it. HE KNOWS THAT IF THE PEOPLE GET THE TRUE REVELATION OF THE TRUE CHURCH AND WHAT SHE IS, WHAT SHE STANDS FOR AND THAT SHE CAN DO THE GREATER WORKS, SHE WILL BE AN INVINCIBLE ARMY. IF THEY GET A TRUE REVELATION OF THE TWO SPIRITS WITHIN THE FRAMEWORK OF THE CHRISTIAN CHURCH, AND BY GOD'S SPIRIT DISCERN AND WITHSTAND THE ANTICHRIST SPIRIT, SATAN WILL BE POWERLESS BEFORE HER. He will be as definitely thwarted today as when Christ withstood his every effort to gain power over Him in the desert. Yes, Satan hates revelation. But we love it. **With true revelation in our lives, the gates of hell cannot prevail against us, but we will prevail over them.**

And I said years ago right here, where your real great test would come would be a man come right along and say he believes the Token message, but would be off on the birth or something along there! It's right on tape, see. Don't you never take nothing for granted! You get into the Word of God till you know it, and you just wait right there and see. There is no man that can line out on God's Revelation in this hour and dovetail it together and make it run perfect. But what you need, every one of us need, is Revelation more than anything else in your life.

*An Exposition Of The Seven Church Ages - 1 - The Revelation Of Jesus Christ
William Marrion Branham*

*We talk about a God that does not change. The Jews believe that too. But the church changed its unchanging God from ONE to THREE. But the light is returning at eventide. How striking it is that this truth has come at the time when the Jews are returning to Palestine. God and Christ are ONE. This Jesus is BOTH LORD AND CHRIST. **JOHN HAD THE REVELATION, AND JESUS WAS THE REVELATION, AND HE PRODUCED HIMSELF RIGHT HERE IN THE SCRIPTURE — "I AM HE THAT WAS, WHICH IS, AND SHALL COME, THE ALMIGHTY. Amen."** If revelation is beyond you, look up and seek God for it. That is the only way you are ever going to get it. A revelation has to come from God. It never comes by human, natural endowments, but by Spiritual enduement. You can even memorize the Scripture, and though that is wonderful, that won't do it. **It has to be a revelation from God. It says in the Word that no man can say that Jesus is the Christ except by the Holy Ghost. You have to receive the Holy Ghost and then, and only then, can the Spirit give you the revelation that Jesus is the Christ: God, the Anointed One. No man knows the things of God save the Spirit of***

God and he to whom the Spirit of God reveals them. WE NEED TO CALL ON GOD FOR REVELATION MORE THAN ANYTHING ELSE IN THE WORLD.

The only way that you'll... As I said, the only way that you ain't gonna know it's Judas by just saying, "Well, I felt his spirit." Well, Peter slept with Judas and he never felt his spirit. Why none of them knew that Judas was the false anointed one, until the revealed Word said, it is he that dipped his hand in the dish with me. Now if it's down to a millionth of a hair more deceiving than that, how are you gonna get by, see?

What...Where...where would you be tonight? What would you be believing tonight if you hadn't come in contact with something God had sent on the earth? Where would the other ministers be tonight? Where would they be tonight? They had no Revelation until they heard it. They said, "They didn't know how they got along preaching as long as they did." Said, "They didn't have any Revelation." Shows you right there, that it was the grace of God almighty. If God didn't have a ministry here for the Bride that had the true Revelation of God, the antichrist WOULD HAVE HER!

That's why Brother Branham preached Seeds of Discrepancies. Showing you that after the Son of Man went along there sowing good seeds in the Shout. Notice that he was the Shout, was the Son of Man, going along across the earth sowing good seeds. He was dressed in white, showing he was righteous, he was the right man. Right? The holiness of the Holy Spirit, a man dressed in white going around the earth broadcasting seeds. That was the seed sower, Malachi 4:5. But along came after Malachi 4:5...What was it? Men...a man dressed in black, which was the devil, and he come along sowing seeds right behind Brother Branham. There's your loosing of the antichrist. Now notice, there is the great deception. There's the great danger spot!

So therefore, the only thing that I can see, that God has to have a true divine office of a prophetic gift, an apostle like. And what is an apostle? He sets things in order, authority and power, has the Revelation of God in authority to set the thing the way it ought to be, sets thing right! Turns things back upright! Sets things down the way it ought to be. And that's usually as I said, is a prophet. But when the time comes and God sends that prophet and then he becomes an apostle. Because an apostle means sent one. And then that's the only thing that God could send in this hour to do the job, and that would be a prophet. How many understand that? Does anybody think a pastor could straighten the thing out? Do you think a teacher or an evangelist could straighten it out? It would take the power of God, in a prophet with a thunder bolt of lightning and a judgement message. It sure will do it!

Now notice here see, so deceiving it would deceive the very elected if it were possible. Now notice, if God never had this another major office of a prophet to come behind Malachi 4:5, then what would happen? The whole thing would be lost, the whole thing. Because preachers went out, and come here and deceive you on this, deceive you on that.

But what happened? Jesus gave a word of promise. Spirits would be so close to deceive the very elected, if it were possible. But they cannot be deceived. Why? Is because Gods got His Revelation there, that is going to uncover the antichrist. The Bible said, the mystery of iniquity doth already work. And then He said, there would come a time when he who letteth will let, until he be taken out of the way. That's Malachi 4:5, taking that message out of the way.

II Thessalonians 2:7-Reference quote:

⁷ For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

Then the antichrist is loosed. Notice that we didn't have nobody raising up in this message claiming anything until after he (*Brother Branham*) went into the grave. Then everything began to show itself. People tried to come in and take over the tabernacle, all kinds of terrible things. Men dividing saying, "I got the east you got the west." Begin to divide the people up, divide the tithes, up see. Oh boy, it looked good. Everybody raising up, with - I'm this, I'm that, I'm this! Was going out finding little groups and swooping in on them.

But notice, God, has got to have a witness somewhere. God has got to have a true divine office somewhere. Some prophetic office that He can take with authority and power in the revealed Word of God, and expose the antichrist.

64-0621 - The Trial

William Marrion Branham

*143 Now still they won't believe it. Jesus promised that, "As it was in the days of Noah, and as it was in the days of Lot, it would be in the last day." We've got it. It's here. It's already vindicated, just how many Scriptures! In the Sodom age, what happened to Abraham, would return back again to Abraham's royal Seed, which is in Christ; **CHRIST RETURNING IN THE FORM OF THE WORD**, working in human beings, and showing the signs that He promised it would sign, it would do. He promised that He would do it. God promised it. And God will keep His promise. 144 And now, a few years ago, I told you that He spoke to me and said, "**There would be three stages of this ministry.** And one of them would be by taking the people by the hand, and would know what their troubles was." How many remembers that? Sure. Did not I tell you, "If I'd be sincere," that He told me, "it would come to pass that I would know even the secret that was in their heart"? Did I tell you that? How many remembers that? Did it happen? It never happened the next day, it was years later, but it happened. **145 And He spoke down on the river, He said, "As John the Baptist was sent forth to proclaim the coming of Christ, at the end of his ministry, Jesus came. AND AS JOHN WAS SENT, SO WILL YOUR MINISTRY FORERUN THE SECOND COMING OF CHRIST."** And there's been a universal revival amongst the people of God, throughout the world, in the last fifteen years; the longest revival. Any historian knows that no revival lasts over three years. And this is fifteen years. And look at the church today, it's cooled off. **We're waiting for His Coming.** He is a vindicating Himself, showing. 146 Now, all these things has happened. He promised in there, that, "You'd know the secret of the heart." **147 Now the third stage is just breaking in in the ministry now.** I won't take time to go in there, 'cause I think I oughtn't. But many of you here know about it, see, of what's taken place.*

William Marrion Branham

*71 What this is for is to get the elected people that's coming out, like in the days of Noah. Like in the days of—of Elijah, the seven thousand or seven hundred, or whatever it was, that hadn't bowed their knee, to call them out. **JOHN CALLING OUT THE ELECTED, AND GIVE IT OVER TO CHRIST WHEN HE COME, SWAPPED HIS CHURCH, said, "I MUST DECREASE, HE MUST INCREASE, BECAUSE," HE SAID, "I'M JUST A VOICE OF***

HIM, CRYING IN THE WILDERNESS, 'PREPARE THE WAY FOR THE LORD.'” **And Jesus come the same way. GETS THE ELECTED READY TO HEAR THE VOICE OF GOD, that’s what the prophetic sign is.** *Oh, if you follow these Messages, get the per-...get the elected ready. **Not the others, will never hear it. It’s the elected that’s called.***

63-0317E - *The Breach Between The Seven Church Ages And The Seven Seals*
William Marrion Branham

1 And when the Seals are broke, and the mystery is revealed, DOWN COMES THE ANGEL, THE MESSENGER, CHRIST, SETTING HIS FOOT UPON THE LAND AND UPON THE SEA, WITH A RAINBOW OVER HIS HEAD. NOW, REMEMBER, THIS SEVENTH ANGEL IS ON EARTH AT THE TIME OF THIS COMING. 42 Just as John was giving his message, the same time that Messiah come in the days. John knew he would see Him, because he was going to introduce Him.

Notice here, that after the working of the antichrist, then the Lord Jesus comes Thessalonians says, that He will come after the mystery of iniquity is working. This is the hour that the devil is really doing his dirty work, is right now see.

But now notice, when the Holy Spirit is poured out, and that apostolic ministry begins to cross the land, aw then he’s finished, it’s all over for him. It’s God’s grace, God’s grace has a ministry here for the perfecting of the saints, for the edification of the body of Christ, till each one comes into the Statue of a Perfect Man to be sealed.

Now notice that will work the same right across United States and around the world. That ministry is to bring... now notice after those other five-fold ministries, like teacher, pastor, and an evangelist, notice when they hear that testimony of that true witness, that true servant of God in this end time, when they line up with that true Revelation, that will bring unity to the Bride around the world. Because that evangelist will go out and bring that same message where ever he goes, see. And all of them will be preaching... Well, we all want to be believe it’s right here. We don’t say this you know... we gotta believe we’re right, and I believe we are. But they’ll everyone will be preaching this Revelation that you’re hearing. All around the world that’ll be the Revelation that gathers the little Bride together. Now, the pastor will preach it, the teacher will preach it, and the evangelist will preach it, and they won’t preach nothing else.

Notice, I don’t believe there’s a man on earth that can come and bring any other Revelation that’ll fit the message of Brother William Branham and I’ve listened to them all. The man over in India, and this one, and that one, they don’t fit Brother Branham’s message. What do they do? They knock Brother Branham clear out of the picture. I believe with all my heart that the ministry that follows Brother Branham’s ministry, his ministry points back and vindicate his ministry. And any ministry that won’t recognize him, love his ministry and respect his ministry, and love it with all his heart, and point back to it and vindicate it, then it never come from God! Because the ministry of the Lord Jesus Christ has turned around and saith, what did you think about John? Was he of man, or was he of God?

Now notice we need Revelation more than anything else, we need that.

Notice here, in verse 11 verse 14, Paul said, “That we henceforth be no more” What? “children, tossed to and fro.”

Ephesians 4:14-Scripture Reading;

14 That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;

Now, before you heard the Revelation, wasn't you not tossed to and fro, all the time? You didn't know when the man was preaching truth, or when he wasn't, because you had very little to go by. You say, "Well, it didn't seem to me like"

Well, you can't just imagine, you got to have something to test it with. You can't test it, "I don't like his spirit." Well, it might be his personality you didn't like, see, and it made you feel that way the way he said things. But you can't test it by that! You've got to have a Revelation to test the man with. And if you ain't got no Revelation, how you gonna give anybody the word test? Why, your deceived yourself! If you're in darkness, how are you gonna see anybody else? You got to be standing in light before you can see anybody in darkness, see.

But know notice here, Paul said he give this ministry for the perfecting of the saints, that we henceforth be no more children tossed to and fro. How many have been tossed this way and tossed that way, you don't know whether its God or its not God? Tossed back and forth, tossed back and forth. But now, the more Revelation you get, the more you can expose the devil. Now the more Revelation you got, the more power over the devil you got. The less Revelation you got, the less power you got over the enemy.

Now let me read something here, I think it's page thirteen. You probably read it many times. It goes good with the scripture before we close. You ought to read it over and over and not forget it. Page thirteen.

Says, "The importance of revelation by the Spirit to a true believer can never be over emphasized. The importance of it, Revelation means more to you than perhaps you realize. Listen to that!

An Exposition of The Seven Church Ages

The Revelation of Jesus Christ

William Marrion Branham

The importance of revelation by the Spirit to a true believer can never be over emphasized. Revelation means more to you than perhaps you realize. *Now I am not talking about this Book of Revelation and you. I am talking about all revelation. It is tremendously important to the church. Do you remember in Matthew 16 where Jesus asked the disciples this question, "Whom do men say that I the Son of Man am? And they said, some say that Thou art John the Baptist: some, Elias; and others, Jeremias, or one of the prophets. He saith unto them, but whom say ye that I am? And Simon Peter answered and said, Thou art the Christ, the Son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but My Father Which is in heaven. And I say unto thee, that thou art Peter, and upon this rock I will build My church; and the gates of hell shall not prevail against it. The Roman Catholics say that the church is built upon Peter. Now that is really carnal. How could God build the church upon a man so unstable that he denied the Lord Jesus and cursed while doing it? God can't build His church upon any man born in sin. And it wasn't*

some rock lying there as though God had hallowed the ground at that spot. And it isn't as the Protestants say, that the church is built upon Jesus. It was the Revelation. Read it the way it is written: "Flesh and blood hath not revealed it, but my father which hath revealed it, and upon this rock (Revelation) I will build my church." The church is built on Revelation, on the "Thus Saith the Lord.

Let me read page fourteen now.

"How did Abel know what to do, in order to offer a proper sacrifice to God? By revelation by faith, you receive the Revelation of the blood." Now this is what you heard me preach on Genesis there what brought all the trouble out. "Cain did not get such a revelation," Now if Cain would of got a revelation he would have been saved wouldn't he? But because he didn't get a revelation he was lost. Now you don't really believe Cain believed he was of his father the devil. He believed Adam was his father.

Quoting;

*An Exposition Of The Seven Church Ages - 1 - The Revelation Of Jesus Christ
William Marrion Branham*

"Now there is no use of you trying... now get this, way down, like Brother Branham said, underneath the fifth rib on the left side. There's no use of you trying to tell somebody about this revelation. Because the first place, when you meet them they are not born again. it's just like you trying to talk to a knot on a tree! To try to explain to a knot on a tree the new birth. They don't know a thing you're talking about, see. Unless God calls them to sit under the revealed word of God, there's not nothing you can do. They have got to be elected. How did you get here to hear it? You we're lead by the holy spirit, every one of you we're supernaturally lead by the holy spirit. And then you received a new birth, then you sat there, and then understand the preaching of the kingdom of heaven, see. Before it's like talking to a knot on a tree, see. The natural mind receiveth not the things of the spirit. Just like a knot on a tree, the natural man is like a knot on a tree. Talk to a knot, it's hard, it can't get nothing. The natural mind spirit has ears to hear, eyes to see and see's not and hears not. So, it's all in election and grace! Your elected by the grace of God, you have a built in antenna that will be able to pick up the revelation, you see."

"Cain was not able to do it. It is the Revelation that does it, see."

1 Corinthians 2:14-Reference quote:

14 But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know them, because they are spiritually discerned.

Now listen to page fifteen, same thing.

"Now notice, it's Satan, he does all he can to destroy confidence in the Word. Satan will do anything that he can do to destroy your confidence in the Word of God, anything go to any means to do it. But when the Bride church disbelieves Satan, and believes the spirit Revelation of the Word, the gates of hell cannot prevail against her." Showing you how powerful a Revelation is. Once your little soul receives Revelation, there's no power of the devil that can do anything with you! You got it! That's all there is to it, you just got it, you just got it down in the soul!

Listen to this now at the bottom of the page:

“True revelation of the true church and what she is, what she stands for and that she can do the greater works, she will be, and that she can do the greater works, she will be an invincible army.” An invincible army!

“You can’t destroy an invincible army, it’s invincible. It’s just so powerful it walks over everything. Russia is helpless before her, China is helpless before an invincible army. If we had an invincible army, we could conquer Russia by tomorrow. But the only invincible army is the Bride, see. Nothing can destroy her, see. Jesus said, destroy this body, go ahead and I’ll raise it back up again.” You got to be that way too, you know!

Now notice, *“if they get a true Revelation,”* now, here we go. *“If they get a true Revelation of the two spirits working within the framework of the Christian church, Satan will be powerless before her.”*

Now the only way that could be, is this right here. Following this message, you got two spirits working. One is the Holy Spirit and the other one is a dirty spirit. But both of them claim to be the Holy Spirit. Now you don’t know which is the Holy Spirit and which is not the Holy Spirit. They’ll set right down beside you, they’ll preach to you. You can’t tell by looking, you can’t tell by feeling. There has got to be some way for you to tell and discern these two spirits working. The only way that you can do it is by the Revelation of God’s Word. That’s the only way that you can do it! Now with the Revelation upon God’s Word you can tell which is that spirit and which isn’t. Because you either got one of those spirits motivating you.

Now notice... the old saying is, ‘give the cow enough rope and she’ll hang herself. And if you’ll be still and be quiet and just let those people keep talking, you’ll know whether they got it, or whether they haven’t. And if you see that they don’t have that Revelation, then back off from it because you may be talking to the devil himself. It may be a nice person, but be deceived of the devil.

Now how many know that’s true, let’s see your hands. How many times have we see nice people come right out... I’ve seen nice people and devils cry right out. I just keep prodding that thing with the Word of God and I’ve seen people... literally, the devil spoke right out of them. When that devil... You ought to see peoples countenance when they know... and that Revelation just keeps coming, keeps clamping down on them, squeezing down on them and they can’t get out of it. I know that man’s deceived and I keep pouring the Word in there. My wife’s seen it! I’ve seen them scream right out, devils and fall right down and kiss my feet and everything. Nice men too! You wouldn’t never... Nobody would never know that it was down in there. And why didn’t I know? I was just testing things, because I’ve seen all kinds of many come and say, ‘A angel appeared last night, and told me this told me.’ Good men and everything. I’d say, “What did He tell you? Well, that’s wonderful.” Just go along just like you’re going. And then when I see it’s off the Word of God, then I say, that’s an evil spirit. Then the next thing I’ll be talking and the next thing I know, I’ll come down start clamping on the Word on that. Then notice their countenance change and they get all nervous and everything. See, then the devil gets scared then. Then the next thing you know, the devils crying right out. I seen good men. I said, “Did you hear that evil spirit speak out of you, sir?” I said, “Now the Lord Jesus led you here to get you delivered.” I said, “You got an evil spirit in you.” I’ve seen them run right out of the house, take right off. Poor soul, he’s lost. They don’t want to get delivered; they want to worship that spirit.

Now Brother Branham said, if the Bride can get a Revelation of the two spirits working in the congregation, if they can and they can discern that evil spirit see that’s trying to deceive you off of the Word of God. Then the devil will be helpless before you. See, you’ll just trump right over

it. How do you trump over it? When you, by a true Revelation, ride right over his interpretation. A true Revelation is opposed to an intellectual interpretation. See, we need Revelation!

I quote from page 16. "Satan will be powerless before her." Powerless before her! With Revelation Satan is powerless before you.

I'm afraid we don't put enough value upon Revelation. We don't realize how great it is. You know, just by faith, the World was spoke into existence by a Revelation! See, do you know why I said, there's enough Revelation in Connecticut here to blow the world apart. If you got Revelation down in you, you don't realize you got more power in you in every hydrogen atom bomb stored up in every warehouse in the world. With that Revelation of faith in you that God gave you, you could speak the world out of existence. The same faith, Revelation, that's in your soul.

That's why Jesus said, if you had the faith as a grain of a mustard seed... Did you ever see the grain of a mustard seed? Why the mustard seed is a little ole teeny thing. Jesus said, "Why do you marvel, that I cursed the fig tree." Said, "If you got faith as a grain of a mustard seed, see that great big mountain of olive there, just say be thou removed and be thou cast into the sea of Galilee." You know Galilee is a long way from Jerusalem. Said, "Be thou plucked up into the sea, clear up to the sea of Galilee." If you don't doubt what you said in your heart what you said, it'll come to pass. If you got faith as a grain of mustard seed. Think how great it is!

Matthew 17:20-Reference quote:

20 And Jesus said unto them, Because of your unbelief: for verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you.

The devil is completely helpless before you, when you get a Revelation, you can discern the antichrist, see. Oh God, oh Lord, how I appreciate Revelation.

When I go and sit and hear men talking and see them so far off the Word of God, and then sit there and know with thus saith the Lord, that they're not even born again, see. I sit there and know that! There's that poor soul see is not even Born-Again.

See, a great man sit and told me that the Lord showed him when going to Haiti that all the other ministers including himself, only got one percent Revelation. Now I could have made that rough. I could have made that awful rough. Out of his own mouth, he snared him own self out of his own mouth. I could have easily said, my dear brother, you just confessed that you're not even Born-Again. And just quote him Brother Branham. I walked away and said, "Now Brother Ruddell you preach the Revelation?" He said, "I'm thankful"! The man just confessed that he wasn't even Born-Again, that's what Brother Ruddell said, "That's right!"

Brother Branham said, what is the New-Birth? "It's a Revelation!" And when you see... I've seen ministers in this message, come right out and say right behind the pulpit, "I don't have any Revelation!" So, what you're saying is that you're not Born-Again!

Endnote:

*63-0728 - Christ Is The Mystery Of God Revealed
William Marrion Branham*

229 Because, it just gradually let loose, as it did down through the prophets, and so forth, till it was perfectly made known, "the Godhead bodily in Christ." 230 And now the Christ in the

Church is just being made known. The whole thing is the revelation of God, to take Eve back to her right position again with her Husband. Notice, and God is the Husband of the Church, and the Church is His Bride. 231 Now, Peter, when he called, said, "**Thou art the Christ, the Son of the living God.**" 232 Now watch. "Blessed art thou, Simon Bar-jona," says, which means, "son of Jona." See? "Blessed art thou, for flesh and blood never revealed This to you. You never learned It from some school. But My Father which is in Heaven has revealed It to you." Notice what He said to him, "Upon this rock..." That's Peter, the predestinated Seed of God that had received this Light, and given the keys to the Kingdom. "**Upon this rock of revelation of Who Jesus Christ is, He is the full, manifested God.**" "Upon this rock..." Not a Father, Son, and Holy Ghost; and Him being the second Person. "**Upon this rock I'll build My Church, and the gates of hell will never shake It down, never prevail against It.**" See? "**I'll build My Church upon this rock,**" a revelation of Jesus Christ. 233 **Look, Christ in you makes Him the center of Life of the revelation.** See? **Christ's Life in you makes Him the center of the revelation. Christ, in the Bible, makes the Bible the complete revelation of Christ. Christ in you makes you the complete revelation of the whole thing, see, what God is trying to do.** 234 **What is the new Birth then?** You'd say, "Well, Brother Branham, what is the new Birth?" **IT IS THE REVELATION OF JESUS CHRIST PERSONALLY TO YOU.** Amen! See? Not you joined a church, you shook a hand, you done something different, you said a creed, you promised to live by a—a code of rules. But Christ, the Bible, He is the Word that was revealed to you. And no matter what anybody says, what takes place, it's Christ; pastor, priest, whatever it might be. It's Christ in you, that is the revelation that the Church was built upon. 235 You say, "Well, I'm a Lutheran. I'm a Baptist. I'm Presbyterian." That don't mean one, don't mean [Brother Branham snaps his finger—Ed.] that to God, not a thing, not a snap of your finger. 236 **What is it? It's Christ being revealed, and He is the Word. And when the Word is revealed, It expresses Itself.** See? That's God's purpose for Jesus Christ, was to express Himself, to take His Own laws and live by His laws, con-...and fulfill His law, by death. **And Christ, God, died in flesh, in order to condemn sin in the flesh, that He might bring to Himself a glorious Bride, redeemed back, that will believe only in the Word of God; and not swap It, like Eve did, for intellectual conceptions of man.** You see it? **That's Christ's idea. That's God's idea. The new Birth reveals this.** 237 **And if a man says he is born again, and try to place these promises of Christ, in this last days, to some other age, making Him Christ yesterday but not today, then that man or that person has been in a—a delusion by Satan.** And if that man says that he believes That, and it doesn't manifest itself through him? 238 Jesus said, in Mark 16, "These signs shall follow them that believe; into all the world, and to every age." Casting out devils, and speaking with tongues, and—and all these great manifestations of gifts that would follow, that, "they shall!" Not, "they may be; they ought to." "They will!" And heavens and earth will pass away, but His Word won't. 239 **So it's Christ expressing Himself in the individual,** whether he's intellectual or whether he's—he don't know his ABC's. Half the apostles didn't know it, that's right, but they knowed Christ. They never taken heed to Peter and John, knowing that they had been out of some seminary. They said, "They taken heed and noticed that they had been with Christ," when they healed the lame man, see, at the gate. They knowed they—they had been with Christ. 240 **THE NEW BIRTH IS CHRIST, IS A REVELATION. GOD HAS REVEALED TO YOU THIS GREAT MYSTERY, AND THAT'S A NEW BIRTH.** Now what are you going to do when you get all that group together, where the revelation is perfectly in harmony, and God expressing it through His Word by the same actions, the same things that He did, making the Word

*manifest! **Oh, if the Church only knew its position! It will, one day.** Then, the Rapture will go when it knows what it is.*

How many appreciate Revelation? Brother Branham said, “That Satan is helpless before your onslaught,” you’ll just ride right over top of it.

Now notice here, Brother Branham said, Satan being loosed, this is the time Brother Branham said, of the loosing of the antichrist. The time of the opening of the Seals. Now notice the opening of the Seals is bringing the Bridegroom on the scene, and is also bringing Satan on the scene.

Now, about the time that the Holy Spirit came back upon the church to pull out a people for the Bride, the antichrist came back also. Now, read in First John 4:3, and He said, “Little children, every spirit that confesses that Jesus has not come in the flesh, is not the Spirit of God: and this is the spirit of antichrist that should come into the world, and already in the world working in the children of disobedience.”

*I said, “The Bible spoke of you. And on the days,” I said, “remember, our troubles my brother, sister, **I’m telling you now, is not coming from communism, and the outside world, it’s right on the inside of us.** The antichrist is a religious spirit. It started in seed back yonder, in Genesis, through Cain. Cain offered the same kind of a sacrifice. He knelt down and he prayed. He done everything religious that Abel done. Yes, sir. And Jesus said, **“The two spirits in the last days would be so close it would deceive the very elect, if possible.”** Is that right?*

Now what is it? Now, you remember I’m telling you this, there’s gonna be a great crash out here? All of that satanic power in all those ministers... and God’s true servants is gonna come head on into a head on show down! It’s gonna head right up here in Untied States. Here me now! When God steps in and backs up this Revelation, it’s gonna call everything in from overseas and everywhere it’s gonna come to a show down. Right here in United states, there is gonna be a mount transfiguration show down right here. We’ll find out whose God’s... we’re coming to an hour when we are gonna find out who’s God’s servant and who’s not God’s servant. God is not gonna let it go on like it is.

I heard a brother preach, ‘that’s what we need is a show down.’ That’s right, and it’s coming to that. Brother Branham said, it’s gonna come to it. I see it, I see it in the Bible and I see the need of it. There’s coming a great show down.

*39 The time has come now for us to realize these things. The time has come when God's breaking the boundaries down. And the time has come that the devil is rising up like a—a wild lion, going about roaring, doing everything he can. **But the great battle is being set.** I wonder what it would be tonight, if we could climb above the heavens of heaven and look at this great drama as **it's getting set together now, fixing to come to pass, of God and the devil coming to a showdown.** I'm so glad that I'm on the winning side. **I'm so glad that I follow the LAMB.** Because it said, "The Lamb overcame them, for He was King of kings and Lord of lords." The time has come now for you to make a decision tonight, what side you'll be on. **And I trust God that you'll make the decision that you'll follow the LAMB.***

*27 And you men and women here, just preach the Gospel. **Don't claim nothing that you can't back up. For Satan's going to bring you to a showdown. That's exactly right.** That's right.*

You'll remember what I told you two years ago, when a certain paper come to my house and that ...come out and the power of God came down and lifted me clear up, and took me back of the building and that paper went up back there. And what was it? It was alive, there was something alive in that thing. How many remember that? That was one of the most terriblest experiences I ever had, just scared me for days.

Brother Davis knows about it, he's a witness to it. You remember that Brother Davis, we we're riding along in the car and the Lord Jesus come right in the truck, didn't he? Come right in there! Brother Davis didn't know it, but the Lord was making me do something, made me take that paper, so he could read it. I thought it was a little childish thing I was doing, but it was God and I didn't know it. Sometimes you do things, and you don't know what you're doing. A paper come to my home and I read it. I had just preached a message and here this paper was totally contrary to what I just preached.

Now remember, Brother Branham said, add to it or take away from it He'll take your part out of the Book of Life! How many believe God meant just what He said? You tamper with God's message, and enter into a ministry that God ain't called you and you try to get to that Bride I tell you, you got the Bridegroom on your hands friend! We're gonna find out that this is a serious thing before it's over.

And I'll never will forget, going along in the truck, and I took that paper. And I thought why I'm I doing that? And I didn't feel right about it. And I thought why, I don't want the brother to think I know something and that man's wrong. But I was compelled to take it. And I went over to pick up Brother Davis. And I said, "I'll drive Brother Davis." Because I wanted him to look at that. So, I laid it upon his dash board, and I didn't tell him nothing and as we were going along he said, What's this? Oh, I said, "It's just a paper I got in the mail. And he got to looking at it. And something was just moving, and I didn't understand it, you know, but I just went along with

it, just compelled to do it. Well, we went along and he said, "Brother Bob this is contrary to the way you preach it ain't it? I said, Brother Chan, "There's great power in that paper, but I said, it's contrary to God's Revelation. Man, He come down in that truck, don't you think He didn't. The presence of God scared Brother Davis! I said, "See there He's here now! But I said, something that I was supposed to say." And that got me bad, it tore me up all day long. And I went home and was just caught away, and I couldn't understand. And then the Lord God come to me that night.

I don't know about what all these people sayin, but I know what I'm talking about. All these men, all over thinking that... we're gonna find out who's God's servant and who's not.

And there He come to me and I saw myself come into this, looked like it was up north here, in Canada somewhere. I come into this big meeting where this preacher was at, and I come in and was very critical of what was going on. And I walked up there and I said, you ought not to be doing that! And so, they got all upset and the next thing you know it I walked out and I come into the meeting again. And they said, Brother Lambert is this better? But I was really still critical of it. Still critical of what was going on. I said, ya it's a little better. As I stood there, I seen this young man... I seen this young man grab this young little girl and started kissing her mouth and they fell down in the floor... you all excuse me but it wasn't very pleasant what happen.

And so, a man go over and said to me, Brother Lambert can you cast the devil out of that couple? They we're just lying there; he was just making love to her. And I looked at it and I said... first I doubted it. Then I said... it come to me something down in here moved in me. I said, Yes. I can cast the devil out because I'm God's servant. This great faith rose up in me. And I walked over real, real, carefully and they were lying there and my mouth... I just opened my mouth to say, Satan come out! And when I opened my mouth to say it, all at once that paper that I had taken over there... God, my Bible before me now and my hands to heaven... now I have to give an account to what I'm sayin. That paper come up out of that couple! And when it come out, it had power. When it come up out of them it was just as quick as lightning. I was getting ready to say Satan come out, and when I did this paper come out just *WHEW!* (*Brother Lambert made a blowing wind sound*) it flipped like that and it dipped down like that, and come right up just barely and almost struck me. And I said, OHH... And I fell back like that, it had such power in it, it took my breath away! I thought I was a goner when that thing past by me, it was alive and had power! When it about caught my breath away and then the power of God come whew mm! (*Brother Lambert made a blowing wind sound*) Just a great, terrible, anointing. It came down and picked me up, and took me right back, just like a great power lifted me clear off the floor and took me in back of the building, suspended me clear on top of the rafters up there. It was a most horriblest, terrible'est power, just ripped me like that. I was just quivering all over, just charged with great power. And that paper was scared of me, and it flew back there in the back. It was just moving around just like this, like a serpent. Boy there I was every time it moved, God moved me over here. It would move over here, and He's move me over here. I was just numb with the power of God, you know. And then it would move over here, and then I'd move over here. And there we was just clinched in a death battle there. Then I come to and boy the power of God was all in the room!

Let me tell you something children, the antichrist is riding these trails. The Lord God is gonna catch up on this thing down the road. He's not gonna leave the little Bride out here like this. What it is, there's all kinds of ministries out there that's making love to the Bride of Christ, right

now! Making love to the Bride of Christ, RIGHT NOW! And they have no right whatsoever to be doing it.

And the Bridegroom isn't gonna take it kindly! He's coming, and He's gonna ride this trail one more time and He's gonna deliver that little Bride from every ministry that isn't ordained of God, He's gonna do it. How many believe He's gonna do it? He's not gonna leave her like that!

We cannot realize, the importance of Revelation, and the devil fears it! And, we're coming just as sure as I stand here, we're coming to a great judgement to the church. We're gonna find out who has God's Revelation, and who don't have it! And we're gonna find out who the antichrists are. Remember, remember Jannes and Jambres are going right on today. But don't forget the words of God's prophets when they spoke and said, Woe unto you all false prophets, all of you, your day is close at hand, your gonna reap what you sow! And he preached Seeds of Discrepancy. Preachers out sowing, contrary to what the Revelation is. And they're gonna reap what they sow!

So, children if we ever got Revelation, now's the time to get it, see. Revelation is more important to you than anything else I that know of. Because with true Revelation, any minister... anything that the devil has out there, if you have true Revelation, he's helpless before you. Remember, Satan is helpless until he can find somebody to get into. But if he can find a preacher, he's got the best tool that I know of to do you damage. So, don't never forget it.

Now let me read this in closing.

"It is the Revelation of God that will give you authority over the devil." And you can see why that they who would add... Listen to this now! "That they who would add or take away from it, would be cursed. It would have to be so, for who can add or take away from the perfect Revelation of God, and overcome the enemy?" Did you hear that! Notice here why God is so careful to watch over his Revelation.

How many of you people know when you heard this Revelation, it was the first time that you come into a relationship with a supernatural being? You'd be driving down the road and you'd feel His presence. You'd be sitting in your room... How many let's see your hands! Why is it? Because God watches over His Revelation.

Now if any preacher would try to add to that Revelation, or take away from it, he's cursed. God said, He'd take his name out of the Book of Life.

Revelation 22:18-20-Reference quote:

18 For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book:

19 And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.

There is nothing of such prevailing power, as the Revelation of the Word. Therefore, it is a dangerous thing to try to make yourself a ministry in the body of Christ. To try to lift yourself up into something as Brother Branham said, many try to act themselves into something that Christ is a million miles away from, play acting.

Endnote:

*63-0317M - God Hiding Himself In Simplicity, Then Revealing Himself In The Same
William Marrion Branham*

*199 Now, notice, it pleased God to—to identify. Now, God always will a vindicate whether it's the Truth or not. See? **Now, many people try to act themselves into something that God stays a million miles from.** That's right. But when you see God come back around, say It's...punctuate It, say, "That's right, That's right, That's right," then you know That's true.*

But, in it all, God has His witnesses, true gifts, that are sent down from heaven for the little Bride.

And amongst all this chaos and turmoil, and the riding of the antichrist now, the loosing of the power of the devil, Judas's, false anointed ones running everywhere all across the country and around the world trying to gather the little... don't you see that those ministries ... any ministry moving now has got to be the Bridegroom! And they're claiming to be the Bridegroom. That's what it is!

Now you can see what it is. It's just like I'm in love with my wife, and we're getting ready to get married and some guy comes along and tries to wink at her and take her away from me. You know I ain't gonna like that! I didn't like it, and I'm ready to do battle now boy, just watch out. This is my little girl here.

Now what do you think the Lord's gonna do about it? Here He hasn't married this little beautiful girl yet, and here these guys are coming here. Here's the devil... now watch here! What did the devil... the first thing...

Now in closing.

What is the first thing the devil will do; he's got to try to get that woman before Adam did. Just ruined her just pregnated her and just ruint the whole marriage. What did he always try to do? Get that seed of the devil, into that righteous womb.

Abimelech got Sarah down there in Egypt before Sarah gave birth to Abraham's baby. Abimelech got her down there and had his pajamas on and was all ready to meet her the next day and marry her and take her into his bed chamber. And what did God say? What was He doing? He was protecting that seed coming through there. And what did God say? Abimelech your as good as a dead man! You got my prophet's wife. If you don't turn her loose, I'll kill you and all your Kingdom. You're as good as a dead man!

Now, if He watched over the natural seed, how much more is the Bridegroom watching over the predestinated seed. How much more is He watching over all these preachers going everywhere claiming to have the message of the hour. Come along and telling them this interpretation, and that interpretation. Trying to get them pregnated with something outside of the real unadulterated Word of God.

Gods got only one Revelation for you to hear! Any other... and I said it before, I don't care who it is, I don't care who it is, comes adds to God's Revelation in this hour, take one word away from it, he's an antichrist. I myself, I don't like to think that about nobody. But see, there's one thing that you got to do, stay with the Word or you'll never make it through!

If you go by your affections and your reasoning, you'll end up wrecked on the rocks, as sure as the world! But if you stay with the revealed Word of God... and whatever don't come up to that Word test...

That's why in my home and everything, I'll go along and fellowship. But I just let everybody talk and when you come up and hit that Word and it don't line up, I say a little something and they won't come up then I... God knows, I called Brother Ruddell, and said it looks bad, I said something in there today and it just don't look good. See, we talk these things over we're the shepherd and I've got a flock. There's certain things that... you can't just walk into the pulpit and say here this man is the antichrist here, this one here is deceived. You can't do that! Brother Branham didn't do it. Look at the men that come in Brother Branham's church, and he had to suffer right along with it. And we're out here in public and there's certain amount of things we got to go through. But I thank God, we're way up here in the east, just think what it is down where these poor little brothers are at.

God help us children. You need Revelation more than anything else. Notice here, as I said, you have just as much of the Holy Spirit in you right now as you have Revelation. Now, the more Revelation that you can get in you, the more of Christ is coming in. Because He's the Revelation.

Now notice here, what are you gonna have when the Bride leaves the earth? You gonna have to have a full Revelation of the Word of God. Now just as much Revelation as you have right now, is how much you have of the Lord Jesus you have. How many want more of the Lord Jesus?

Dear brother and sister, write this Revelation upon your door post. Write them upon your bed post. Write it upon your eyes of your mind, your hands. You know the blessing of God is to stay in the Word of God all the time. How wonderful if we could keep our minds continually in the Word of God. Just upon a Psalm, upon a certain... as Brother George said, "You don't know how blessed it is Brother Bob, Brother Bill and I went down to New York City and we played one of those tapes on with the Revelation on it, and His presence just filling the car as we we're going along crying, listening to it." I said, "Sure it's Gods Revelation."

Now look here children, if you really have Revelation, you're in a divine relationship with Christ. He's watching over you, you're His child, you're in a fellowship with Him, talking with Him. He's whispering back to you, see. His presence is what we have in our assembly here, the supernatural divine presence of Christ. But you know it ought to be greater than what it is here tonight. The supernatural presence ought to be here all the time. If we could get that certain thing fixed in our mind. If we walk in the light, as He's in the light, we have fellowship one with another, and the blood of the Lord Jesus Christ is cleansing us from all from sin. And He's with that Revelation.

Like He told Brother Branham, "The never-failing presence of the Lord Jesus is with you wherever you go." I don't care whether I go to Trinidad, or I go down to Brother Don's, He's right there in the car. He's right in my room. He's right over there. Why is it? Not because of the man, but because of His Revelation. You don't know what a comfort that is.

Like when I get on a plane in the morning, if the motor catches on fire, I'm just as comfortable as can be, knowing He's right there with me. All He has to do is speak, and the fire will go out. If the plane goes down it don't make no difference. If they say the ship sinking, don't make no difference. Don't make no difference what happens, as long as you know that His presence is right there with you. And you got the God that spoke the world into existence, how can you be afraid. No matter what happens, as long as he's there. So, how thankful should we ought to be, that we have a Revelation. To know... when you hear and see people are in such a delusion, know that they have no blood covering their sins. And here if you got Revelation, your underneath the blood, covered by the blood. Just waiting for the Token to come to the blood.

Now let's pray. Maybe if our little Sister Ingrid would come and just play a song before we change the service into communion. Now let's offer a word of prayer while our sister plays softly.

Brother Lambert gives closing Prayer:

Dear Heavenly father, I have here before you tonight the purchase of your blood. Lord these people love... they love your Revelation Lord. God, we wouldn't even be here together if it wasn't because of your unmerited grace. Brother Carleton (*McGahee*) wouldn't be here Lord. Little Kenneth, would still be down in Florida tonight with his little wife, Lord. Brother Yeakley would be down in Pennsylvania, and Brother Graybill. Jimmy and Dale Lord, would probably have five or six filling stations down in Lebanon, or out playing golf somewhere on Sunday. Lord God we're here tonight because of thy unmerited grace, because of thy love and thy favor towards us, Lord.

And Lord, you have brought a Revelation that we're fellowshiping around. God we're saying this Revelation come from you. Now Lord, I put myself out here in a terrible place, and Lord I wouldn't have walked up here and said these things that I've been saying unless I believed that you told them to me. And Lord, I love your sheep. And Lord, I believe that its you that come and revealed these things to me, because that I love your sheep. And you gave them this Revelation because I did love them. So therefore, I have told them the truth.

Father, this year of 1972, Lord, I'm seeking your face as never before asking God that this would be the year that you'll come and testify of your gift, Lord. Come and prove that I've told the truth, and watered these sheep. Take these sheep to the water Lord, and fill them with the living water. May out of their belly flow rivers of living water, fill them full of thy Holy Spirit oh Lord. For you have promised it for this hour. Bring forth that supernatural Bride church. Let everyone here father God, be a part of it. Bless each and every one that's here tonight. Lord, I love them. Keep them, protect them, from all the power of the enemy, give them Revelation Lord, more than anything else, give them Revelation upon your Word.

Lord, bless all your little Bride now across the country and may the hour soon arise when you'll prove who's your servant, and who's not. You'll prove which is Bride and which is not. Jannes and Jambres will come to naught in that day Lord when thou pourest out thy spirit.

Father God as I depart for a few days. Lord, we're forced to go down and help these poor little brothers down there that's in a terrible spiritual battle. May we go down and break some of the bread of life to them and give them strength to withstand the power of the enemy in that part of the country. For we ask it in Jesus name. Amen!

What page is that? Let's sing # 219. Do you love him children? Where would we be! Now let's just sing that.

Congregation sings, Jesus Keep Me Near the Cross.

Amen. Rest brother? There is no rest until you get across that river. When you're on this side of the Token, then you're waiting to come into that glorious rest.

Now, we'll start the communion service. Before we read our scripture now, while the sister plays softly, let's for just a moment, let's just meditate a minute on what we're getting ready to do. You shouldn't take communion in an unworthy manner, realizing what Christ has done for you. Bruised, broken, beaten, and nailed to Calvary's tree.

He took upon you, took upon himself all of your transgressions and all of your iniquity. Every evil thing that you ever thought and ever done, every lie you ever told, it was all put upon Him.

The great sin bearer, Jesus Christ, was nailed to Calvary's tree for you! As we realize it now while we begin to pray. You're not saved by the blood, but your kept saved by the blood of the Lord Jesus. Right standing, right in front of you right now, is a ball of blood. The wrathful God looketh down upon each one in this congregation. He's looking through his own blood that's applied to your soul, and He see's nothing but white. Now you stand before him perfect, because Jesus Christ is standing in your place. How we ought to love him.

Now, let us just pray for one another now. Pray for your brother and sister. If you got aught against your brother or sister, you shouldn't even take communion, till you make it right. It's a family affair.

Communion Service Prayer by Brother Lambert:

Loving heavenly father, we're so thankful for what you did for us at Calvary. Lord, we're just a poor little uneducated humble bunch of people here Lord, made up of all walks of life. Some Lord, have moved all over the world, all across the country, and gathered together here and made this little assembly what it is today. God, we're striving. Of all the people upon the earth, thou hast chosen us to believe and have faith for the second coming of Christ, the Bridegroom, to come to marry the Bride. And here we are sitting here tonight, pressing and struggling, and striving, realizing that Malachi 4:5 is gone, and since that time the Kingdom of Heaven has been preached. And men and women here are pressing their way into that great glorious thing, Lord. And we're sitting here tonight under the shed blood of the Lord Jesus Christ, fellowshiping in the glorious light of this Revelation.

Oh God, help us to appreciate thy Revelation more Lord and thanking you for your blood that cleanses us of all our sins. Bless each and every one in this little congregation, Lord. God, I love them with all my heart. I pray that you'll bless them and strengthen them and encourage them while I'm gone. Forgive each one of our faults, mistakes, and shortcomings, Lord.

Most of all Father God, forgive me Lord, help me Father as I stand in this terrible place challenging the promise of the hour before the people. Lord, as Paul was given a message and Satan buffeted him because of the abundance of the Revelation, God how about me? With all this great Revelation that's come to my heart, God I pray that you'll help me! Help me to walk in sincerity and humility, Father. Help me to grow and have more understanding. Forgive me father for all of my mistakes and shortcomings. Bless both, the pastor and the congregation and forgive each one of our sins. By faith we take this communion together, as you forgive us of all of our sins and you've paid the price, Lord and we thank you for it. In Jesus name. Amen.

While our brothers come now, we'll read our scriptures. Praise his precious holy name. Children how thankful, how thankful we are tonight to be under the blood. We realizing all the chaos is ready... The wrath of God will one day soon pass through the land. How blessed it'll be to be under the blood at that time. See your friends out there tonight, loved ones out from under the blood. It should just rend our heart. It just rends my heart to think of my own children and your children out there, out from under the blood. The wrath of God is just getting ready to belch across the nation. California is ready to sink, chaos setting in all around the world. How thankful we ought to be sitting in this little safe place tonight. We're in the most safest place in the world we can be taking the communion supper together.

And as they were eating, Jesus took the bread and he blessed it and he break it and he gave it to the disciples and said, "Take ye to eat, this is my body." Let's bow our heads.

Loving heavenly father, I break this bread in the name of Jesus Christ. Lord this bread was made by our precious sister that believes this Revelation. It is sanctified by the Holy Ghost.

Now, I pray God that you'll bless and sanctify this bread as I break it. For you said Lord, that this was your body which was broken for many. Now Father, we know that it's not your body, but it only represents your body as a token as a symbol. That when we take this bread, we should remember how beaten and broken you were. How mistreated you were Father because... the precious lamb of God that knew no sin, beaten across the back Lord, until the meat was flayed off to the bone. Face smashed in till, the prophet Isaiah said, no man was beaten like Him. Marred beyond recognition, in other words father, His friends couldn't tell who He was by looking at him, because He was so beat up so bad. Eyes black and swollen, mouth bursted, back beat, flayed apart, so that we might have forgiveness of sin. God we're so thankful for that Lord. And we break this bread in the name of the Lord Jesus Christ and as we do it, we remember what you did for us Lord. Amen.

And He took the cup, one cup, not many cups, but one cup. And He gave thanks, and He gave it to them, saying, drink ye all of it; for this is my blood of the New Testament, a new covenant, which was shed for many for the remission of sins. But I say unto you, I will not drink henceforth of this fruit of the vine, until that day when I drink it in a new and living manner with you in my father's kingdom.

Now, let us pray would you bow your heads please?

Father God, we have before us here wine, which is the symbol of blood that burst out from your side. When that poor wretched Roman soldier stuck a spear into the side of that little preacher, he didn't realize it was God tabernacled in human flesh. He didn't realize it, but out of that side poured the blood of God Emanuel. Poured out upon the ground Lord, to redeem the ground. Poured up out on the ground Lord to redeem us, Lord. But now Father God, we can't find that blood that went into the ground, the rain washed it away. But oh, God, we have the plan back to the blood Lord the revealed Word of God is back upon the earth. The true plan back to the real blood of God has been brought back today by the revealed Word. God, we thank you for it!

We pray Lord Jesus, that you'll sanctify this wine as a symbol of your blood. And Lord you said eat all of your bread and drink your blood, and we'll have eternal life. We're eating thy Word, thy Revelation, and we're drinking thy blood and we're fellowshiping together around this communion table tonight by a divine Revelation as your children, your Bride.

Oh God, thank you for blood Lord. Without the shedding of blood there's no remission of our sins. But you shed it so that they might be remitted, and done away with, Lord put in the sea of thy forgetfulness never to be remembered any more. And we stand before you perfect tonight, because of the blood. Lord, I rest my case right from this prayer, and all these children here under this ministry Lord. We thank you for this blood that was shed for us. And as we drink this wine, we'll remember back Lord to the hole that was opened up in your side. And now Lord we're coming back into that side, Lord. We thank you for these elements Lord, that are here today to bring us back into thy precious side, out of which flowed your blood. Bless this wine, Lord, sanctify it. Heal every person that drinks it, Lord. Bless them Father God. Bless the sick and afflicted that's not here tonight, and may the healing virtues of Jesus Christ flow through them. So, we ask it in Jesus' name. Amen.

Praise his Holy Spirit.

(Congregation comes forward to partake of communion).

Before we leave we all want to pray, let's all, in our own way, pray and raise our hands up and pray for little Elaine (*Collins*), and ask God... It's so heartbreaking for me to see Elaine's

condition. Nobody knows how much she suffers. I tell you when we realize what the Bride of Christ is, and what we ought to be doing, it wrenches my heart out. It just tears my heart completely out of me to see her in this condition, and still she's hanging onto her healing. If it wasn't for the wheelchair and God helping her, and the wheelchair, she would fall over backwards, and take lots of hard falls on the floor. When she falls and gets up, she holds her little hand up, quoting them scriptures, by his stripes I'm healed. Hanging right onto that Word of God, and suffering. It hurts me so bad; I can't hardly be around her.

You don't know what it is to know that you have a gift of healing lying right inside of you. You don't know the suffering I go through. God help me, sometimes I want to go off and crawl off in a hole and stay there, and let God come after a bag of bones.

Brother Ruddell...I've been awful upset the last few months, and He has comforted my heart. He said, if it was anointed and operating, it would just upset everything. Everyone would be coming from everywhere. But still, that don't give me much comfort, you know. I'm made up in such a way I can't hardly look at anybody suffering, I just really have to get a hold of myself and make myself hold steady, you know. So, if you wouldn't pray...I know...I told you here how God, the great supernatural presence come to me about Elaine. I went off up in Maine and prayed for her, and God the Holy Spirit come right in my kitchen, came right down in the basement with his great presence came in the basement come outside. Stayed in the truck, the great power of God all the way to Maine. I went up there and fasted for her for a few days and stayed there and prayed. I just believe with all my heart, as bad as her condition is, I believe God's gonna make her every whit whole. Gods not gonna let her get any worse, He's gonna heal. We need the deliverance, the deliverance of God. The Bible said, that everyone in Zion will be delivered. There would be a great deliverance in Zion in the last day. How many would like to see God move again, heal the people, and set them free? (Amen)

Let's all stand and pray for her before we're dismissed. She suffers and she needs her healing so bad. Just in your own way, you just ask the Lord Jesus to help her just now, give her healing and help her. Just cry right out and ask the Lord in your own way!

Brother Lambert gives the closing prayer:

Gracious Heavenly father we come to you tonight, in the name of the precious Lord Jesus. On behave of our little sister Elaine, Lord. Oh, Lord, it breaks our heart, to see sickness and afflictions among us. Oh, how the church of the Lord Jesus Christ needs to rise to her feet like a mighty army, Lord. That the sick would be healed by a spoken word, the blind would see, and the lame would walk, Lord. And God we have this promise by your blood. Heavenly father God, we pray that she would be made every whit whole. That God would heal her from her head to her toes. Oh Lord, for the Glory of God, may you God bless her, Lord Jesus! May great deliverance break out in Zion, Lord. Oh God, how we pray that this little congregation, will lay between the porch and the alter, to rend our hearts and fast and to pray and cry for God to pour out His Spirit. To bring deliverance in this last day, so that the sick and afflicted would have deliverance, Lord. Oh God! Let deliverance break out in Zion! Grant, it in the Name of the Lord Jesus, and for his glory. Amen!

God bless you; I don't know when I'll see you again, maybe in a week or so, maybe two weeks. Pray for me, that I'll find the leading of the Holy spirit. Maybe I can get the ministers together and can help them. However, the Lord leads. You pray for me! How many are going to

be praying for me? I know I'll be praying for you. In your prayer meetings grab right a hold of the horns of the altar. Now is the hour, now is the hour.

A scripture come to my heart today, I want to look at it some more when I get down to the islands. Sanctify a fast, call a solemn assembly, gather the elders of the church together let them rend their hearts, and not their garments. Turn to me with all your heart, saith the Lord, turn to me with all your hearts with prayers and fasting's and you'll hear from heaven.

How many want to turn to the Lord that way? God help us each one that this would be a place where deliverance would break out. There would be a place of deliverance where the blind could come and receive their sight, and the lame would walk again. It's God's will, God's will.

He don't want us to go on like this, He wants us to have deliverance in our midst. Brother Branham said, give me ten men filled with the Holy ghost, and let any kind of sickness and affliction and set it in there, and they'll everyone walk away whole.

244 Give me a church, give me ten men, who, really jewels of God, the Royal Seed, put them men together, and watch what'll take place. Give me this little houseful of people like that, and I'll show you a Light that the world will run to it. That's right. That's what God wants us to be. "You're a city setting on a hill." You're Royal Seed of Abraham. "It shall possess the gate of its enemy." 245 **Sickness, there's a cause for sickness. There's a cause for these things. And God, the Holy Spirit, is here to reveal that thing and tell you why you don't get it. What's the matter with us? We don't have to wonder, "Will It do it." It's already doing it. What do you do?** 246 **Watch that prophet. He listened not to the rushing wind, "Glory to God! Hallelujah!"** 247 **That's good. Now, remember, I'm not condemning that. I hope everybody understands that. Somebody said, "Brother Branham don't believe in saying, 'Glory to God! Hallelujah!'" Well, look at me up here now. I believe in shouting, speaking with tongues, dancing in the Spirit.** 248 **BUT, BROTHER, WHEN YOU FAIL TO HEAR THAT STILL SMALL VOICE OF THE WORD, THAT'S THE THING THAT GETS YOU. THAT'S THE THING.** 249 **Elijah knewed all this revival was going on outside. But he was...It never attracted him outside to it. But when he heard that still small Voice of God, then he was attracted. And he veiled his face, come out. Why? Elijah was the Seed of Abraham, FOLLOWING THE WORD.** 250 **"If ye abide in Me and My Words in you, then ask what you will, it'll be done for you."**

35 You give me this—this church tonight, this group of people, perfectly, perfectly in the promise of God, with the Holy Ghost, walking in the Spirit, I challenge any disease or any affliction, or anything that there is, every Joe Lewis there is in the country, with all of his infidelity, and all of the unbelievers that there is, to bring any sickness or affliction in this door, and they'll walk out of here perfectly whole. Yes, sir. God gave the promise, only sin of unbelief can keep it away. Now we're going to get down to what this little sin is, after a while, now.

Let me tell you something, there wasn't one person, that had any kind of a spirit that passed by Brother Branham that God wouldn't heal. He healed one hundred percent of them when they passed by. They all didn't keep it, but when they passed by that gift healed them. How many want to see it again like that? I tell ya sincerely and honestly there's a gift of healing right in your midst that lays dormant and unanointed. You don't know how heart breaking that is! And you know I don't just say that, God wouldn't of give me a gift like that if I was a boaster. But I say this humbly, but you don't know the pain I go through today. I just go all to pieces, just think about lying there and not being anointed and realizing it's there, and see what a blessing it could be.

How many is really gonna pray for me? See you got your problems, but you think about what I got. Not only do I have all the ministers looking to you, but knowing what you know and see, honestly, I tell Brother McGhee today, "I feel like I'm the weakest one among you." That's the truth! When I see the need of the hour, many sick and afflicted and bound by the devil. (Bro. Lambert weeps) You just have to go on and come back to church and go back home. I tell ya it's hard! I believe Jesus Christ is waiting for you to call God's gift, God's servant, on the scene. There's nothing you can do. I just read where Brother Branham said, God can't do anything until He's got the servant ready. But the people's got to pray and cry day and night for God to call His servant into action. God knows I've preached my insides out for four years, and stayed in a room. I believe if I mount to a hill of beans, if I mount to a hill of beans, is because somewhere, somebody is praying and seeking God. That's the truth!

Before Brother Branham's ministry ever started, people were praying night and day, cryin to God. Friend, the prophet has come and gone and the things are a mess. People dying with cancer. Brother Neville's wife has done gone to the grave and I don't know how many more. Ben Bryant's wife, and many precious people that would still be alive if Brother Branham was here, and His gift was still operating when he was here. And now he's done gone to the grave. How many more precious people will we lose the battle with before somethings done? How many promise me your gonna pray with all your heart? It's seventy-two!

It's eight o'clock now, God bless you, I love you, pray for me that I can be a true servant for Christ. I desire that more than life its self. My whole desire in life is, one desire, and I pray that continually every day with tears dripping down my face, Lord Jesus make me a blessing to the Bride of Christ. That's all my desire is, to be a blessing.

I love you and I know that you love me. Let's love one another. Take the name of Jesus with you!
